system pursuant to safekeeping orders under G.S. 162-39 or the Statewide Misdemeanant Confinement Program under G.S. 148-32.1. In updating the schedule of charges, at a minimum, the Department shall consider the actual rate for services provided and current established Medicaid rates for respective services. The schedule of charges shall be updated annually and shall be included in the Department's policies and procedures. The Department shall assess charges to counties for health care services provided to county prisoners at all State prison facilities. (2019-171, s. 2(a); 2020-83, s. 9(a).)

Visits and correspondence between prisoners and approved friends shall be authorized under reasonable conditions, and family members shall be permitted and encouraged to maintain close contact with the prisoners unless the contacts prove to be hurtful. Casework, counseling, and psychotherapy services provided to prisoners may be extended to include members of the prisoner's family if practicable and necessary to achieve the purposes of the programs. Education, library, recreation, and vocational training programs shall be developed so as to coordinate with corresponding services and opportunities which will be available to the prisoner when he or she is released. Programs may be established for the treatment and training of prisoners with intellectual or other developmental disabilities and other special groups. These programs may be operated in segregated sections of facilities housing other prisoners or in separate facilities.

(b) The Division of Prisons of the Department of Adult Correction may cooperate with and seek the cooperation of public and private agencies, institutions, officials, and individuals in the development and conduct of programs designed to give persons committed to the Division opportunities for physical, mental, and moral improvement. The Division may enter into agreements with other agencies of federal, State, or local government and with private agencies to promote the most effective use of available resources.

Specifically the Secretary of the Department of Adult Correction may enter into contracts or agreements with appropriate public or private agencies offering needed services including health, mental health, behavioral health, intellectual and other developmental disability, substance abuse, rehabilitative, or training services for such inmates of the Division of Prisons of the Department of Adult Correction as the Secretary may deem eligible. These agencies shall be reimbursed from applicable appropriations to the Division of Prisons of the Department of Adult Correction for

services rendered at a rate not to exceed that which the agencies normally receive for serving their regular clients.

The Secretary may contract for the housing of work-release inmates at county jails and local confinement facilities. Inmates may be placed in the care of the agencies but shall remain the responsibility of the Division and shall be subject to the complete supervision of the Division. The Division may reimburse the agencies for the support of the inmates at a rate not in excess of the average daily cost of inmate care in the corrections unit to which the inmate would otherwise be assigned. § 148-22.1. Educational facilities and programs for selected inmates.

(a) The Division of Prisons of the Department of Adult Correction is authorized to take advantage of aid available from any source in establishing facilities and developing programs to provide inmates of the State prison system with such academic and vocational and technical education as seems most likely to facilitate the rehabilitation of these inmates and their return to free society with attitudes, knowledge, and skills that will improve their prospects of becoming law-abiding and self-supporting citizens. The State Department of Public Instruction is authorized to cooperate with the Division of Prisons of the Department of Adult Correction in planning academic and vocational and technical education of prison system inmates, but the State Department of Public Instruction is not authorized to expend any funds in this connection.

(b) In expending funds that may be made available for facilities and programs to provide inmates of the State prison system with academic and vocational and technical education, the Division of Prisons of the Department of Adult Correction shall give priority to meeting the needs of inmates who are less than 21 years of age when received in the prison system with a sentence or sentences under which they will be held for not less than six months nor more than five years before becoming eligible to be considered for a parole or unconditional release. These inmates shall be given appropriate tests to determine their educational needs and aptitudes. When the necessary arrangements can be made, they shall receive such instruction as may be deemed practical and advisable for them.

(c) The Secretary of the Department of Adult Correction, in consultation with the Office of Human Resources, shall set the salary supplement paid to teachers, instructional support personnel, and school-based administrators who are Division of Prison employees and are licensed by the State Board of Education. The salary supplement shall be at least five percent (5%), but not more than the percentage supplement they would receive if they were employed in the local school administrative unit where the job site is located. These salary supplements shall not be paid to central office staff. Nothing in this subsection shall be construed to include "merit pay" under the term "salary supplement". The medical staff of any penal institution of the State of North Carolina is hereby authorized to perform or cause to be performed by competent and skillful surgeons surgical operations upon any inmate when such operation is necessary for the improvement of the physical condition of the inmate. The decision to perform an operation shall be made by the chief medical officer of the

institution, with the approval of the superintendent of the institution, and with the advice of the medical staff of the institution. No operation shall be performed without the consent of the inmate; or, if the inmate is a minor, without the consent of a responsible member of the inmate's family, a guardian, or one having legal custody of the minor; or, if the inmate be non compos mentis, then the consent of a responsible member of the inmate's family or of a guardian shall be obtained. Any surgical operations on inmates of State penal institutions shall also be subject to the provisions of Article 1A of Chapter 90 of the General Statutes, G.S. 90-21.13, and G.S. 90-21.16.

If the operation on the inmate is determined by the chief medical officer to be an emergency situation in which immediate action is necessary to preserve the life or health of the inmate, and the inmate, if sui juris, is unconscious or otherwise incapacitated so as to be incapable of giving consent or in the case of a minor or inmate non compos mentis, the consent of a responsible member of the inmate's family, guardian, or one having legal custody of the inmate cannot be obtained within the time necessitated by the nature of the emergency situation, then the decision to proceed with the operation shall be made by the chief medical officer and the superintendent of the institution with the advice of the medical staff of the institution.

In all cases falling under this section, the chief medical officer of the institution and the medical staff of the institution shall keep a careful and complete record of the measures taken to obtain the permission for the operation and a complete medical record signed by the medical superintendent or director, the surgeon performing the operation and all surgical consultants of the operation performed. (1919, c. 281, ss. 1, 2; C.S., ss. 7221, 7222; 1947, c. 537, s. 24; 1951, c. 775; 1957, c. 1357, s. 1; 1981, c. 307, ss. 2, 3; 2003-13, s. 8; 2004-203, s. 53(a).)

No one addicted to the use of alcoholic beverages, or narcotic drugs, shall be employed as superintendent, warden, guard, or in any other position connected with the Division of Prisons of the Department of Adult Correction, where such position requires the incumbent to have any charge or direction of the prisoners; and anyone holding such position, or anyone who may be employed in any other capacity in the State prison system, who shall come under the influence of alcoholic beverages during hours of employment, or reports for duty under the effect of intoxicants, or narcotic drugs, or who shall become intoxicated, or uses narcotic drugs, under circumstances that bring discredit on the Division of Prisons of the Department of Adult Correction, shall be subject to immediate dismissal from employment by any of the institutions and shall not be eligible for reinstatement to such position or be employed in any other position in any of the institutions. Any superintendent, warden, correctional officer, supervisor, or other person holding any position in the Division of Prisons of the Department of Adult Correction who curses a prisoner under his charge shall be subject to immediate dismissal from employment and shall not be eligible for reinstatement. (1917, c. 286, s. 16; 1919, c. 80, s. 8; C.S., s. 7733; 1925, c. 163; 1933, c. 172, s. 18; 1957, c. 349, s. 10; 1967, c. 996, s. 13; 1969, c. 382; 1981, c. 412, s. 4(4); c. 747, s. 66; 2011-145, s. 19.1(h); 2012-83, s. 61; 2016-77, s. 8(c); 2017-186, s. 2(nnnnnn); 2021-180, s. 19C.9(p).)

(b) No person may use tobacco products on the premises of a State correctional facility, except for authorized religious purposes. Notwithstanding any other provision of law, inmates in the custody of the Division of Prisons of the Department of Adult Correction and persons facilitating religious observances may use and possess tobacco products for religious purposes consistent with the policies of the Division.
