(a) No group shall self-insure its workers' compensation liabilities under the Act unless it is licensed by the Commissioner under this Part. Any self-insured group that was organized and approved under the North Carolina law before July 1, 1995, and whose authority to self-insure its workers' compensation liabilities under the Act has not terminated after that date, shall not be required to be reapproved to be licensed under this Article.

(b) An applicant for a license shall file with the Commissioner the information required by subsection (f) of this section on a form prescribed by the Commissioner at least 90 days before the proposed licensing date. The applicant shall furnish to the Commissioner satisfactory proof of the proposed group's financial ability, through its members, to comply with the Act. No application is complete until the Commissioner has received all required information.

(c) The group shall comprise two or more employers who are members of and are sponsored by a single bona fide trade or professional association. The association shall (i) comprise members engaged in the same or substantially similar business or profession within the State, (ii) have been incorporated in North Carolina, (iii) have been in existence for at least five years before the date of application to the Commissioner to form a group, and (iv) submit a written determination from the Internal Revenue Service that it is exempt from taxation under 26 U.S.C. § 501(c). (a) If the Commissioner denies a license, the Commissioner shall inform the applicant of the reasons for the denial. The Commissioner may issue a license to an applicant that remedies the reasons for a denial within 60 days after the Commissioner's notice. The Commissioner may grant additional time to an applicant to remedy any deficiencies in its application. A request for an extension of time shall be made in writing by the applicant within 30 days after the Commissioner's notice. If the applicant fails to remedy the reasons for the denial, the application shall be withdrawn or denied.

(b) A group shall not terminate its license or cease the writing of renewal business without obtaining prior written approval from the Commissioner. The Commissioner shall not grant the request of any group to terminate its license unless the group has closed or reinsured all of its incurred workers' compensation obligations and has settled all of its other legal obligations, including known and unknown claims and associated expenses.

(c) No group shall transfer its workers' compensation obligations under an assumption reinsurance agreement without complying with Part 2 of Article 10 of this Chapter.

(d) Every group is subject to Article 19 of this Chapter. No group shall merge with another group unless both groups are engaged in the same or a similar type of business. (1997-362, s. 3.)

(1997-362, s. 3; 2001-223, s. 21.2; 2003-212, s. 13.)

#### **§ 58-47-85. Surplus requirements.**

Every group shall maintain minimum surplus under one of the options in subdivision (1), (2), or (3) of this section:

(1) Maintain minimum surplus in accordance with Article 12 of this Chapter. A group organized and authorized before the effective date of this section shall comply with this section under the following schedule:

a. Forty percent (40%) of the surplus, in accordance with Article 12, by January 1, 1999.

b. Fifty-five percent (55%) of the surplus, in accordance with Article 12, by January 1, 2000.

c. Seventy percent (70%) of the surplus, in accordance with Article 12, by January 1, 2001.

d. Eighty-five percent (85%) of the surplus, in accordance with Article 12, by January 1, 2002.

- e. One hundred percent (100%) of the surplus, in accordance with Article 12, by January 1, 2003.

The Commissioner shall not approve any dividend request that results in a surplus that is less than one hundred percent (100%) of the minimum surplus required by Article 12 of this Chapter.

- (2) Maintain minimum surplus at an amount equal to ten percent (10%) of the group's total undiscounted outstanding claim liability, according to the group's annual statement filing, or such other amount as the Commissioner prescribes based on, but not limited to, the financial condition of the group and the risk retained by the group. In addition, the group shall:
  - a. Maintain specific excess insurance or reinsurance that provides the coverage limits in G.S. 58-47-95(a). The group shall retain no specific risk greater than five percent (5%) of the group's total annual earned premium according to the group's annual statement filing.
  - b. Maintain aggregate excess insurance or reinsurance with a coverage limit being the greater of two million dollars (\$2,000,000) or twenty percent (20%) of the group's annual earned premium, according to the group's annual statement filing. The aggregate excess attachment point shall be one hundred ten percent (110%) of the annual earned premium, according to the group's annual statement filing. The required attachment point shall be reduced by each point, or fraction of a point, that a group's expense ratio exceeds thirty percent (30%). Conversely, the required attachment point may be increased by each point, or fraction of a point, that a group's expense ratio is less than thirty percent (30%), but in no event shall the attachment point be greater than one hundred fifteen percent (115%) of the annual earned premium.
  - c. Adopt a policy whereby every member:
    - 1. Pays a deposit to the group of twenty-five percent (25%) of the member's estimated annual earned premium, or another amount that the Commissioner prescribes based on, but not limited to, the financial condition of the group and the risk retained by the group; or
    - 2. Once every year files with the group the member's most recent year-end balance sheet, which, at a minimum, is compiled by an independent certified public accountant. The balance sheet shall demonstrate that the member's financial position does not show a deficit equity and is appropriate for membership in the group. At the request of the Commissioner, the group shall make these filings available for review. These filings shall be kept confidential; provided that the Commissioner may use that information in any judicial or administrative proceeding.
- (3) Maintain minimum surplus at an amount equal to three hundred thousand dollars (\$300,000). The group shall immediately assess its members if, at any time, the group's surplus is less than the minimum surplus amount. In addition, the group shall maintain:

- a. Specific excess insurance or reinsurance that provides coverage limits pursuant to G.S. 58-47-95(a). The group shall retain no specific risk greater than five percent (5%) of the group's total annual earned premium according to the group's annual statement filing.
- b. Aggregate excess insurance or reinsurance with a coverage limit being the greater of two million dollars (\$2,000,000) or twenty percent (20%) of the group's annual earned premium, according to the group's annual statement filing. The aggregate excess attachment point shall be one hundred ten percent (110%) of the annual earned premium, according to the group's annual statement filing. The required attachment point shall be reduced by each point, or fraction of a point, that a group's expense ratio exceeds thirty percent (30%). Conversely, the required attachment point may be increased by each point, or fraction of a point, that a group's expense ratio is less than thirty percent (30%), but in no event shall the attachment point be greater than one hundred fifteen percent (115%) of the annual earned premium.

The Commissioner may require different levels, or waive the requirement, of specific and aggregate excess loss coverage consistent with the market availability of excess loss coverage, the group's claims experience, and the group's financial condition. (1997-362, s. 3; 1999-132, s. 13.2.)

**§ 58-47-90. Deposits.**

(a) Each group shall deposit with the Commissioner an amount equal to ten percent (10%) of the group's total annual earned premium, according to the group's annual statement filing, but not less than six hundred thousand dollars (\$600,000), or another amount that the Commissioner prescribes based on, but not limited to, the financial condition of the group and the risk retained by the group.

(b) G.S. 58-5-1, 58-5-20, 58-5-25, 58-5-30, 58-5-35, 58-5-40, 58-5-63, 58-5-75, 58-5-80, 58-5-90(a) and (c), 58-5-95, 58-5-110, 58-5-115, and 58-5-120 apply to groups.

(c) A group organized and authorized before January 1, 1998, has until January 1, 2001, to comply with subsection (b) of this section. However, a dividend request shall not be approved by the Commissioner until the group has replaced its surety bonds with the deposit required by subsection (b) of this section.

(d) No judgment creditor, other than a claimant entitled to benefits under the Act, may levy upon any deposits made under this section.

(e) Surety bonds shall be in a form prescribed by the Commissioner and issued by an insurer authorized by the Commissioner to write surety business in North Carolina.

(f) Any surety bond may be exchanged or replaced with another surety bond that meets the requirements of this section if 90 days' advance written notice is provided to the Commissioner. An endorsement to a surety bond shall be filed with the Commissioner within 30 days after its effective date.

(g) If a group ceases to self-insure, dissolves, or transfers its workers' compensation obligations under an assumption reinsurance agreement, the Commissioner shall not release any deposits until the group has fully discharged all of its obligations under the Act. (1997-362, s. 3.)

**§ 58-47-95. Excess insurance and reinsurance.**

(a) Each group, on or before its effective date of operation and on a continuing basis thereafter, shall maintain specific and aggregate excess loss coverage through an insurance policy or reinsurance contract. Groups shall maintain limits and retentions commensurate with their exposures. A group's retention shall be the lowest retention suitable for groups with similar exposures and annual premium. The Commissioner may require different levels, or waive the requirement, of specific and aggregate excess loss coverage consistent with the market availability of excess loss coverage, the group's claims experience, and the group's financial condition.

(b) Any excess insurance policy or reinsurance contract under this section shall be issued by a licensed insurance company, a licensed captive insurance company, an approved surplus lines insurance company, or an accredited reinsurer, and shall:

- (1) Provide for at least 30 days' written notice of cancellation by certified mail, return receipt requested, to the group and to the Commissioner.
- (2) Be renewable automatically at its expiration, except upon 30 days' written notice of nonrenewal by certified mail, return receipt requested, to the group and to the Commissioner.

(c) Every group shall provide to the Commissioner evidence of its excess insurance or reinsurance coverage, and any amendments, within 30 days after their effective dates. Every group shall, at the request of the Commissioner, furnish copies of any excess insurance policies or reinsurance contracts and any amendments. (1997-362, s. 3; 2013-116, s. 4.)

#### **§ 58-47-100. Examinations.**

G.S. 58-2-131 through G.S. 58-2-134 apply to groups. (1997-362, s. 3; 1999-132, s. 11.7.)

#### **§ 58-47-105. Dividends and other distributions.**

(a) Group dividends and other distributions shall be made in accordance with G.S. 58-7-130, 58-8-25(b), and 58-19-30. A group shall be in compliance with this Part before payment of dividends or other distributions to its members. No group shall pay dividends or other distributions to its members until two years after the group's licensing date.

(b) Payment of dividends to the members of any group shall not be contingent upon the maintenance or continuance of membership in the group. (1997-362, s. 3.)

#### **§ 58-47-110. Premium rates.**

(a) As used in this section:

- (1) "Bureau" means the North Carolina Rate Bureau in Article 36 of this Chapter.
- (2) "Expenses" means that portion of a premium rate attributable to acquisition, field supervision, collection expenses, and general expenses, as determined by the group.
- (3) "Multiplier" means a group's determination of the expenses, other than loss expense and loss adjustment expense, associated with writing workers' compensation and employers' liability insurance, which shall be expressed as a single nonintegral number to be applied equally and uniformly to the prospective loss costs approved by the Commissioner in making rates for each classification of risks utilized by that group.
- (4) "Prospective loss costs" means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit and that is based on historical aggregate losses and loss adjustment expenses adjusted

through development to their ultimate value and forecasted through trending to a future point in time.

- (5) "Supplementary rating information" means any manual or plan of rates, classification, rating schedule, minimum premium, policy fee, rating rule, rate-related underwriting rule, experience rating plan, statistical plan, and any other similar information needed to determine the applicable rate in effect or to be in effect.

(b) Rates and the effective date shall be submitted by the group to the Commissioner for prior approval in the form of a rate filing. The rate filing:

- (1) Shall be on a form prescribed by the Commissioner and shall be supported by competent analysis, prepared by an actuary who is a member in good standing of the Casualty Actuarial Society or the American Academy of Actuaries, demonstrating that the resulting rates meet the standards of not being excessive, inadequate, or unfairly discriminatory;
- (2) Shall have the final rates and the effective date determined independently and individually by the group;
- (3) Shall have manual rates that are the combination of the prospective loss costs and the multiplier;
- (4) Shall file any other information that the group considers relevant and shall provide any other information requested by the Commissioner;
- (5) Shall be considered complete when the required information and all additional information requested by the Commissioner is received by the Commissioner. When a filing is not accompanied by the information required under this section, the Commissioner shall inform the group within 30 days after the initial filing that the filing is incomplete and shall note the deficiencies. If information required by a rate filing or requested by the Commissioner is not maintained or cannot be provided, the group shall certify that to the Commissioner;
- (6) May include deviations to the prospective loss cost based on the group's anticipated experience. Sufficient documentation supporting the deviations and the impact of the deviation shall be included in the rate filing. Expense loads, whether variable, fixed, or a combination of variable and fixed, may vary by individual classification or grouping. Each filing that varies the expense load by class shall specify the expense factor applicable to each class and shall include information supporting the justification for the variation;
- (7) Shall include any proposed use of a premium-sized discount program, a schedule rating program, a small deductible credit program or an expense constant or minimum premium, and the use shall be supported in the rate filing; and
- (8) Shall be deemed approved, unless disapproved by the Commissioner in writing, within 60 days after the rate filing is made in its entirety. A group is not required to refile rates previously approved until two years after the effective date of this Part.

(c) At the time of the rate filing, a group may request to have its approved multiplier remain in effect and continue to use either the prospective loss cost filing in effect at the time of the rate filing or the prospective loss cost filing in effect at the time of the filing, along with all other subsequent prospective loss cost filings, as approved.

(d) To the extent that a group's manual rates are determined solely by applying its multiplier, as presented and approved in the rate filing, to the prospective loss costs contained in the Bureau's reference filing and printed in the Bureau's rating manual, the group need not develop or file its final rate pages with the Commissioner. If a group chooses to print and distribute final rate pages for its own use, based solely upon the application of its filed prospective loss costs, the group need not file those pages with the Commissioner. If the Bureau does not print the prospective loss costs in its manual, the group shall submit its rates to the Commissioner.

(e) If a new filing of rules, relativities, and supplementary rating information is filed by the Bureau and approved:

- (1) The group shall not file anything with the Commissioner if the group decides to use the revisions as filed, with the effective date as filed together with the prospective loss multiplier on file with the Commissioner.
- (2) The group shall notify the Commissioner of its effective date before the Bureau filing's effective date if the group decides to use the revisions as filed but with a different effective date.
- (3) The group shall notify the Commissioner before the Bureau filing's effective date if the group decides not to use the revision or revisions.
- (4) The group shall file the modification with the Commissioner, for approval, specifying the basis for the modification and the group's proposed effective date if different from the Bureau filing's effective date, if the group decides to use the revision with deviations.

(f) Every group shall adhere to the uniform classification plan and experience rating plan filed by the Bureau.

(g) Groups shall maintain data in accordance with the uniform statistical plan approved by the Commissioner.

(h) Each group shall submit annually a rate certification, signed by an actuary who is a member in good standing of the Casualty Actuarial Society or the American Academy of Actuaries, which states that the group's prospective rates are not excessive, inadequate, or unfairly discriminatory. The certification is to accompany the group's rate filing. If a rate filing is not required, the actuarial rate certification is to be submitted by the end of the calendar year. (1997-362, s. 3.)

#### **§ 58-47-115. Premium payment requirements.**

Groups shall collect members' premiums for each policy period in a manner so that at no time the sum of a member's premium payments is less than the total estimated earned premium for that member. (1997-362, s. 3.)

#### **§ 58-47-120. Board; composition, powers, duties, and prohibitions.**

(a) Each group shall be governed by a board or other governing body comprising no fewer than three persons, elected for stated terms of office, and subject to the Commissioner's approval. All board members shall be residents of this State or members of the group. At least two-thirds of the board shall comprise employees, officers, or directors of members; provided that the Commissioner may waive this requirement for good cause. The group's TPA, service company, or any owner, officer, employee, or agent of, or any other person affiliated with, the TPA or service company shall not serve as a board member. The board shall ensure that all claims are paid promptly and take all necessary precautions to safeguard the assets of the group.

- (b) The board shall be responsible for the following:

- (c) The board shall not:
  - (1) Be compensated by the group, TPA, or service company except for out-of-pocket expenses incurred as board members.
  - (2) Extend credit to members for payment of a premium, except under payment requirements set forth in this Part.
  - (3) Borrow any money from the group or in the name of the group, except in the ordinary course of business, without first informing the Commissioner of the nature and purpose of the loan and obtaining the Commissioner's approval.
- (d) The board shall adopt bylaws to govern the operation of the group. The bylaws shall comply with the provisions of this section and shall include:
  - (1) The method for selecting the board members, including terms of office.
  - (2) The method for amending the bylaws and the plans of operation and assessment.
  - (3) The method for establishing and maintaining the group.
  - (4) The procedures and requirements for dissolving the group.
- (e) Each group shall file a copy of its bylaws with the Commissioner. Any changes to the bylaws shall be filed with the Commissioner no later than 30 days before their effective dates. The Commissioner may order the group to rescind or revoke any bylaw if it violates this section or any other applicable law or administrative rule.
- (f) The board shall adopt and administer a plan of operation to assure the fair, reasonable, and equitable administration of the group. All members shall comply with the plan. The plan shall comply with this section and include:
  - (1) Procedures for administering the assets of the group.
  - (2) A plan of assessment.
  - (3) Loss control services to be provided to the members.

(e) If the Commissioner finds that because of a material noncompliance that a self-insurer has suffered any loss or damage, the Commissioner may maintain a civil action brought by or on behalf of the self-insurer and its covered members or persons and creditors for recovery of compensatory damages for the benefit of the self-insurer and its covered members or persons and creditors, or for other appropriate relief.

(f) Nothing in this Article affects the Commissioner's right to impose any other penalties provided for in this Chapter or limits or restricts the rights of covered members or persons, claimants, and creditors.

(1997-362, s. 3.)

**§ 58-47-160. Written agreement; composition; restrictions.**

(a) No person may act as a TPA or service company without a written agreement between the TPA or service company and the self-insurer. The written agreement shall be retained by the self-insurer and the TPA or service company for the duration of the agreement and for five years thereafter. The agreement shall contain all provisions required by this Article, to the extent those requirements apply to the functions performed by the TPA or service company.

(b) Groups shall file with the Commissioner the written agreement, and any amendments to the agreement, within 30 days after execution. Single employers shall furnish the Commissioner, upon request, the written agreement and any amendments to the agreement. The information required by this section, including any trade secrets, shall be kept confidential; provided that the Commissioner may use that information in any judicial or administrative proceeding instituted against the TPA or service company.

(c) The written agreement shall set forth the duties and powers of the TPA or service company and the self-insurer. The Commissioner shall disapprove any such written agreement that:

- (1) Subjects the self-insurer to excessive charges for expenses or commission.
- (2) Vests in the TPA or service company any control over the management of the affairs of the self-insurer to the exclusion of the governing board of the self-insurer.
- (3) Is entered into with any TPA or service company if the person acting as the TPA or service company, or any of the officers or directors of the TPA or service company, is of known bad character or has been affiliated directly or indirectly through ownership, control, management, reinsurance transactions, or other insurance or business relationships with any person known to have been involved in the improper manipulation of assets, accounts, or reinsurance.
- (4) Is determined by the Commissioner to contain provisions that are not fair and reasonable to the self-insurer.

(d) The self-insurer, TPA, or service company may, by written notice, terminate the agreement as provided in the agreement. The self-insurer may suspend the underwriting authority of the TPA during the pendency of any dispute regarding the cause for termination of the agreement. The self-insurer shall fulfill any lawful obligations with respect to policies affected by the agreement, regardless of any dispute between the self-insurer and the TPA or service company.

(e) The contract may not be assigned in whole or part by the TPA or service company without prior approval by the governing board of the self-insurer and the Commissioner. (1997-362, s. 3.)

(a) Every TPA or service company shall maintain and make available to the self-insurer complete books and records of all transactions performed on behalf of the self-insurer. The books and records shall be maintained by the self-insurer, TPA, or service company in accordance with G.S. 58-47-180.

(b) The Commissioner shall have access to books and records maintained by a TPA or service company for the purposes of examination, audit, or inspection. The Commissioner shall keep confidential any trade secrets contained in those books and records, including the identity and addresses of the covered members of a self-insurer, except that the Commissioner may use the information in any judicial or administrative proceeding instituted against the TPA or service company.

(c) The Commissioner may use the TPA or service company as an intermediary in the Commissioner's dealings with the self-insurer if the Commissioner determines that this will result in a more rapid and accurate flow of information from the self-insurer and will aid in the self-insurer's compliance with this Article and the Workers' Compensation Act.

(d) The self-insurer shall own the books and records generated by the TPA or service company pertaining to the self-insurer's business.

(e) The self-insurer shall have access to and rights to duplicate all books and records related to its business.

(f) If the self-insurer and the TPA or service company cancel their agreement, notwithstanding the provisions of subsection (a) of this section, the TPA or service company, shall transfer all books and records to the new TPA, service company, or the self-insurer in a form acceptable to the Commissioner. The new TPA or service company shall acknowledge, in writing, that it is responsible for retaining the books and records of the previous TPA, service company, or the self-insurer as required in subsection (a) of this section. (1997-362, s. 3.)

**§ 58-47-170. Payments to TPA or service company.**

If a self-insurer uses the services of a TPA, the payment to the TPA of any premiums or charges for insurance by or on behalf of the insured party is considered payment to the self-insurer. The payment of return premiums or claim payments forwarded by the self-insurer to the TPA or service company is not considered payment to the insured party or claimant until the payments are received by the insured party or claimant. This section does not limit any right of the self-insurer against the TPA or service company resulting from the failure of the TPA or service company to make payments to the self-insurer, insured parties, or claimants. (1997-362, s. 3.)

**§ 58-47-175. Approval of advertising.**

A TPA or service company may use only the advertising pertaining to or affecting the business underwritten by a self-insurer that has been approved in writing by the self-insurer before its use. (1997-362, s. 3.)

**§ 58-47-180. Premium collection and payment of claims.**

(a) The TPA or service company, at a minimum, shall:

- (2) Deposit all receipts directly into an account maintained in the name of the self-insurer.
- (3) Pay claims on drafts or checks of and authorized by the self-insurer.
- (4) Not withdraw from the self-insurer's account except for authority limited to pay claims and refund premiums.
- (5) Remit return premium, directly from the self-insurer's account, to the person entitled to the return premium.

(b) Any check disbursement authority granted to the TPA or service company may be terminated upon the self-insurer's written notice to the TPA or service company or upon termination of the agreement. The self-insurer may suspend the check disbursement authority during the pendency of any dispute regarding the cause for termination. (1997-362, s. 3.)

**§ 58-47-185. Notices; disclosure.**

(a) When the services of a TPA are used, the TPA shall provide a written notice approved by the self-insurer to covered members advising them of the identity of, and relationship among, the TPA, the member, and the self-insurer.

(b) When a TPA collects funds, the reason for collection of each item shall be identified to the member and each item shall be shown separately from any premium. Additional charges may not be made for services to the extent the services have been paid for by the self-insurer.

(c) The TPA shall disclose to the self-insurer all charges, fees, and commissions received from all services in connection with the provision of administrative services for the self-insurer, including any fees or commissions paid by self-insurers for obtaining reinsurance.

(d) The TPA or service company shall disclose to the self-insurer the nature of other business in which it is involved. (1997-362, s. 3.)

**§ 58-47-190. Compensation.**

A TPA or service company shall not enter into any agreement or understanding with a self-insurer that makes the amount of the TPA's or service company's commissions, fees, or charges contingent upon savings affected in the adjustment, settlement, and payment of losses covered by the self-insurer's obligations. This section does not prohibit a TPA or service company from receiving performance-based compensation for providing medical services through a physician-based network or auditing services and does not prevent the compensation of a TPA or service company from being based on premiums or charges collected or the number of claims paid or processed. (1997-362, s. 3.)

**§ 58-47-195. Examinations.**

TPAs and service companies may be examined under G.S. 58-2-131 through G.S. 58-2-134. (1997-362, s. 3; 1999-132, s. 11.8.)

**§ 58-47-200. Unfair trade practices.**

TPAs and service companies are subject to Article 63 of this Chapter. (1997-362, s. 3.)

**§ 58-47-205. Other requirements.**

(a) A TPA or service company, or any owner, officer, employee, or agent of a TPA or service company, or any other person affiliated with or related to the TPA or service company shall not:

- (1) Serve as a trustee of a self-insurer.
- (2) Make a contribution to the surplus of a self-insurer.
