

§ 115C-81.10. Career and technical education.

Instruction in career and technical education shall include the following:

- (1) The integration of academic and career and technical education.
- (2) A sequential course of study leading to career and college readiness.
- (3) Increased student work skill attainment and job placement.
- (4) Increased linkages, where geographically feasible, between public schools and community colleges, so the public schools can emphasize academic preparation and the community colleges can emphasize specific job training.
- (5) Instruction and experience, to the extent practicable, in all aspects of the industry the students are prepared to enter. (2017-126, s. 5.)
