

§ 130A-206. Financial aid for diagnosis and treatment.

The Department shall provide financial aid for diagnosis and treatment of cancer to indigent citizens of this State having or suspected of having cancer. The Department may make facilities for diagnosis and treatment of cancer available to all citizens. Reimbursement shall only be provided for diagnosis and treatment performed in a medical facility which meets the minimum requirements for cancer control established by the Commission. The Commission shall adopt rules specifying the terms and conditions by which the patients may receive financial aid.
