

Part 2D. Management of Discarded White Goods.

§ 130A-309.80. Findings and purpose.

The General Assembly finds that white goods are difficult to dispose of, that white goods that contain chlorofluorocarbon refrigerants pose a danger to the environment, and that it is in the best interest of the State to require that chlorofluorocarbon refrigerants be removed from discarded white goods. This Part therefore provides for the management of discarded white goods. (1993, c. 471, s. 4.)
