

§ 143-59.1A. Preference given to products made in United States.

If the Secretary of Administration or a State agency cannot give preference to North Carolina products or services as provided in G.S. 143-59, the Secretary or State agency shall give preference, as far as may be practicable and to the extent permitted by State law, federal law, and federal treaty, to products or services manufactured or produced in the United States. Provided, however, that in giving such preference no sacrifice or loss in price or quality shall be permitted; and provided further, that preference in all cases shall be given to surplus products or articles produced and manufactured by other State departments, institutions, or agencies which are available for distribution.
