

§ 143B-1295. Contracted operation of homes.

The Veterans' Affairs Commission may contract with persons or other nongovernmental entities to operate each State veterans home. Contracts for the procurement of services to manage, administer, and operate any State veterans home shall be awarded on a competitive basis through the solicitation of proposals and through the procedures established by statute and the Division of Purchase and Contract. A contract may be awarded to the vendor whose proposal is most advantageous to the State, taking into consideration cost, program suitability, management plan, excellence of program design, key personnel, corporate or company resources, financial condition of the vendor, experience and past performance, and any other qualities deemed necessary by the Veterans' Affairs Commission and set out in the solicitation for proposals. Any contract awarded under this section shall not exceed five years in length. The Veterans' Affairs Commission is not required to select or recommend the vendor offering the lowest cost proposal but shall select or recommend the vendor who, in the opinion of the Commission, offers the proposal most advantageous to the veterans and the State of North Carolina.
