

**§ 143B-437.60. Disbursement of grant.**

A business may not receive an annual disbursement of a grant if, at the time of disbursement, the business has received a notice of an overdue tax debt and that overdue tax debt has not been satisfied or otherwise resolved. A business may receive an annual disbursement of a grant only after the Committee has certified that there are no outstanding overdue tax debts and that the business has met the terms and conditions of the agreement. No amount shall be disbursed to a business as a grant under this Part in any year until the Secretary of Revenue has certified to the Committee (i) that there are no outstanding overdue tax debts of the business and (ii) the amount of withholdings received in that year by the Department of Revenue from the business. A business that has met the terms of the agreement shall make an annual certification of this to the Committee. The Committee shall require the business to provide any necessary evidence of compliance to verify that the terms of the agreement have been met. The Committee shall certify the grant amount for which the business is eligible under the agreement and the grant amount for which the business would be eligible under the agreement without regard to G.S. 143B-437.56(d). The Department of Commerce shall remit a check to the business in the amount of the certified grant amount within 90 days of receiving the certification of the Committee.
