- (b) One or more domestic corporations may merge with one or more unincorporated entities and, if desired, one or more foreign corporations, domestic nonprofit corporations, or foreign nonprofit corporations if:
  - (1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and
  - (2) Each merging domestic corporation and each other merging business entity comply with the requirements of this section and, to the extent applicable, the laws referred to in subdivision (1) of this subsection.
- (c) Each merging domestic corporation and each other merging business entity shall approve a written plan of merger containing all of the following:
  - (1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs.
  - (2) The name of the merging business entity that shall survive the merger and, if the surviving business entity is not authorized to transact business or conduct affairs in this State, a designation of its mailing address and a commitment to file with the Secretary of State a statement of any subsequent change in its mailing address.
  - (3) The terms and conditions of the merger.
  - (4) The manner and basis of converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity, or into cash or other property in whole or in part, or of cancelling the interests.

In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of that merging business entity.
