

§ 70-50. Site Steward Program.

The Department of Natural and Cultural Resources may create and maintain a volunteer program for purposes of monitoring the condition of archaeological resources listed in the Record. This program shall be known as the Site Steward Program and will be administered through the Department in cooperation with local and statewide archaeological societies and groups. (1991, c. 461, s. 2; c. 761, s. 12.2; 2015-241, s. 14.30(s).)
