

§ 89F-2. Purposes.

The purposes of this Chapter are to protect life, property, health, and public welfare through regulation of the practice of soil science in the State; to define the practice of soil science as a profession by establishing minimum standards of ethical conduct and professional responsibility and by establishing professional education and experience requirements; and to prevent abuses in the practice of soil science by untrained or unprincipled individuals. (1995, c. 414, s. 1.)
