

§ 90-270.81. Persons and practices not affected.

Nothing in this Article shall be construed to prevent or restrict:

- (1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State from performing work incidental to the practice of that profession or occupation as long as the person does not represent himself or herself as an occupational therapist or occupational therapy assistant.
- (2) Any person employed as an occupational therapist or occupational therapy assistant by the government of the United States, if he or she provides occupational therapy solely under the direction or control of the organization by which he or she is employed.
- (3) Any person pursuing a course of study leading to a degree or certificate in occupational therapy at an accredited or approved educational program if the activities and services constitute a part of a supervised course of study and if the person is designated by a title which clearly indicates his or her status as a student or trainee.
- (4) Any person fulfilling the supervised fieldwork experience required for licensure under this Article if the person is designated by a title, which clearly indicates his or her status as a student or trainee.
- (5) Occupational therapists or occupational therapy assistants licensed in other jurisdictions who are consulting, teaching, or participating in special occupational therapy education projects, demonstrations or courses in this State, provided their evaluation and treatment of patients is minimal.
- (6) The practice of occupational therapy by an occupational therapist or occupational therapy assistant licensed in another jurisdiction who comes into this State, whether in person or by use of any electronic or other medium, on an irregular basis, to consult with a North Carolina licensed occupational therapist or occupational therapy assistant or to consult with faculty at an academic facility about education and training. This shall not apply to occupational therapists or occupational therapy assistants residing in a neighboring state and regularly practicing in this State. (1983 (Reg. Sess., 1984), c. 1073, s. 1; 2005-432, s. 15.)
