

§ 90A-45. Commercial water pollution control system operating firms.

(a) Any person, firm, or corporation, municipal or private, owning or having control of a water pollution control system may contract with a responsible commercial water pollution control system operating firm for operational and other services of that firm. Such firm shall designate an employee as the operator in responsible charge of the water pollution control system. Such employee and any other employees who have been duly certified under this Article shall be responsible for the total operation and maintenance of the water pollution control system. Commercial water pollution control system operating firms shall not be limited as to the number of systems, distance between systems, location of office or residence, or other internal management procedures.

(b) Any employee designated by the firm as operator in responsible charge must hold an appropriate certificate issued by the Commission and must comply with all of the requirements of this Article and rules adopted by the Commission.

(c) The Commission may adopt rules requiring that any commercial water pollution control system operating firm file an annual report with the Commission as to the operation of such system. (1983, c. 489, s. 1; 1991, c. 623, ss. 1, 12.)
