A BILL TO BE ENTITLED

AN ACT TO AMEND THE PROVISIONS OF THE WINSTON-SALEM FIREMEN'S RETIREMENT FUND.

The General Assembly of North Carolina enacts:

SECTION 1. Sections 1 through 32 of Chapter 388 of the 1973 Session Laws, as amended by Chapter 15 of the 1977 Session Laws, Chapter 284 of the 1979 Session Laws, Chapter 647 of the 1981 Session Laws, Chapter 464 of the 1983 Session Laws, Chapter 508 of the 1987 Session Laws, Chapter 793 of the 1989 Session Laws, S.L. 1998-92, S.L. 2003-35, S.L. 2006-121, and S.L. 2008-98, read as rewritten:

"Sec. 1. That the name of the Association herein established shall be Winston-Salem Firemen's Retirement Fund Association, hereinafter referred to as the Association. References to the Association as of a date prior to April 3, 1979, and following July 1, 1973, shall mean the Winston-Salem Fire-Public Safety Retirement Fund Association, which was the name of the Association during such period.

"Sec. 2. Subject to the provisions of Section 16 hereof, the following persons shall automatically be members of the Association:

(a) As of July 1, 1987, any person who was a member of the Association following the close of business of the Association immediately preceding such date.

(b) As of July 1, 1987, and thereafter, any person not covered under (a) above who shall have been regularly and continuously employed full time by the Fire Department of the City of Winston-Salem (hereinafter referred to as the Fire Department), including any Fire Department mechanic or electrician, who shall have attained his 18th birthday and shall not have attained his 40th birthday. Any person not covered under (a) above who was hired by the Fire Department prior to July 1, 1987, and continues to be employed by the Fire Department on such date, and who had attained his 30th birthday when hired but had not then attained his 40th birthday, may elect within 90 days following July 1, 1987, to become a member by contributing to the Association the sum of twelve dollars (\$12.00) per month from his date of hire by the Fire Department, plus interest at the rate of eight percent (8%), applicable to any payments made on and after July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(c) Notwithstanding the provisions of subsection (b) immediately preceding, as a condition to any person's becoming a member of the Association pursuant to the provisions of subsection 2(b) or 16(a), the Trustees may require such person to undergo a physical examination by a physician or physicians of good standing or repute selected by the Trustees. If it shall be found from such physician's report that such person is not in good physical or mental condition as of the date he would be eligible to become a member of the Association, such

1 person shall be denied membership in the Association. The determinations of whether or not
2 such person shall be required to undergo a physical examination and whether or not he is in
3 good physical or mental condition shall be made by the Trustees. In making such
4 determinations, all persons similarly situated shall be treated alike. The cost of any medical
5 examination required pursuant to the provisions of this subsection (c) shall be borne by the
6 person seeking membership in the Association.

7 **"Sec. 3.** The Association may provide and raise funds in any legal manner to be used as a
8 pension fund for such person or persons as may be entitled thereto under the provisions of this
9 act and to such extent as is hereinafter set out.

10 **"Sec. 4.** The governing body of the Association shall consist of a Board of Trustees seven
11 in number, four from the active membership of the Fire Department, two retired members of
12 the Fire Department, and one to be appointed by the Insurance Commissioner of the State of
13 North Carolina.

14 **"Sec. 5.** The Trustees from the membership of the Fire Department shall be elected by the
15 members of the Fire Department for four-year terms. Such terms shall be staggered, so that two
16 of the Trustees shall be elected during the month of January of each year divisible evenly by
17 two. Trustees that are slated to leave the Board are automatically candidates for reelection
18 unless they choose not to serve another term. In addition, the elected Association Trustees shall
19 select from the members of the Fire Department four members in good standing, each of whom
20 continuously served in the Fire Department for a period of at least four years. A general
21 election shall then be held by the membership of the Fire Department to elect from the list of
22 candidates two Trustees to serve a four-year term. Each member of the Fire Department in
23 good standing may cast two votes for the member's choice of nominees. The nominee receiving
24 the highest number of votes in the election will be a member of the Winston-Salem Firemen's
25 Relief Fund Board as well as the Association Board. In the event that a Trustee is unable to
26 complete the Trustee's term, the nominee receiving the next highest number of votes in the last
27 election held and who is not then serving as a Trustee shall complete the unexpired term of the
28 Trustee who resigned from the Board. A tie shall be resolved by casting lots. The Trustees who
29 are retired members of the Fire Department shall be appointed for four-year terms by the
30 Trustees who are active members of the Fire Department.

31 **"Sec. 6.** Any Trustee may resign at any time by giving notice in writing to the other
32 Trustees. Should any Trustee who is a member of the Fire Department cease to be a member of
33 the Fire Department for any reason, he shall automatically cease to be a Trustee. With regard to
34 any Trustee elected by the members of the Association who resigns or ceases to be a Trustee
35 for any reason, his successor shall be elected as provided in Section 5 of this act. Should the
36 Trustee who was appointed by the Insurance Commissioner of the State of North Carolina
37 resign or cease to be a Trustee for any reason, his successor shall be appointed by the said
38 Insurance Commissioner. Should any Trustee who is a retired member of the Fire Department
39 resign or cease to be a Trustee for any reason, that Trustee's successor shall be appointed by the
40 Trustees who are active members of the Fire Department as provided in Section 5 of this act.

41 **"Sec. 7.** The Board of Trustees is herein fully vested with the exclusive right and authority
42 to pay out the funds of this Association, as provided for in this act. All matters and claims
43 provided for under this act shall be passed upon by said Trustees and all decisions and actions
44 of said Trustees shall be binding upon the Association and the members thereof. Every Trustee
45 shall be entitled to one vote except the chairman of the Board of Trustees, who shall be entitled
46 to vote only to break a tie. At every annual meeting of the Board of Trustees, the Trustees shall
47 elect a chairman, vice-chairman, secretary and treasurer. The secretary and treasurer need not
48 be Trustees, and the offices of secretary and treasurer may be combined into a single office, in
49 the discretion of the Trustees. The annual meeting of the Board of Trustees shall be held as
50 soon as is practicable following the end of each calendar year at such place and at such time as
51 shall be determined by the Trustees.

1 **"Sec. 8.** As of September 1, 2001, the secretary of the Association (or the
2 secretary-treasurer if such offices shall be combined into a single office) shall be entitled to
3 receive monthly compensation in an amount to be determined each year by the Trustees. The
4 Trustees, as such, including the chairman and the vice-chairman, shall serve without
5 compensation. The Trustees may authorize reimbursement by the Association to any officer or
6 Trustee of the Association for all expenses incurred by such person in connection with services
7 rendered in behalf of the Association.

8 **"Sec. 9.** The Trustees shall elect a custodian of all funds and property of the Association,
9 provided that such custodian shall have first offered proof satisfactory to the Trustees, by bond
10 or otherwise, that it is and will be financially responsible for all property coming into its hands
11 in a fiduciary capacity. Said custodian shall not release any of the funds or property of the
12 Association for reasons other than investment of such funds or property except upon the written
13 authorization of the Trustees.

14 The Trustees shall also elect an investment manager who may or may not be the same
15 person as the custodian. Any such investment manager shall be a bank, or an insurance
16 company, or an entity registered under the Investment Advisor's Act of 1940. The investment
17 manager shall be authorized to invest and reinvest the funds or property of the Association in
18 the investment manager's own judgment and discretion. The investment manager shall report to
19 the Trustees on a periodic basis, but not less frequently than each calendar quarter. The
20 investment manager (including said custodian when acting as investment manager) shall not be
21 liable to the Association for any act of failure to act by it, except for gross negligence or willful
22 misconduct.

23 **"Sec. 10.** A special meeting of the Board of Trustees may be called by the chairman or
24 vice-chairman, or by any two Trustees, upon 24 hours' written notice delivered in person to the
25 members of said Board or mailed to the last known address of each member of said Board. A
26 majority of the Trustees in office shall constitute a quorum at any meeting and a majority vote
27 of the Trustees at a meeting at which a quorum is present shall constitute action by the
28 Trustees.

29 **"Sec. 11.** The chairman of the Board of Trustees, when present, shall preside at all
30 meetings. In the absence of the chairman, the vice-chairman shall act as chairman.

31 **"Sec. 12.** The secretary shall keep in complete form such data as shall be necessary for
32 actuarial valuation of the funds of the Association and for checking the disbursements for and
33 on behalf of the Association. He shall keep minutes of all proceedings of the Board of Trustees
34 and of the Association, and the same shall be kept in a place selected by the Trustees. The
35 treasurer of the Association shall post yearly at each fire station and at the office of fire
36 administration, as soon as practicable following the end of each year, a financial statement of
37 the Association.

38 **"Sec. 13.** The treasurer of the Association shall deposit with the custodian all funds and
39 property that may come into his hands for the Association. The said treasurer shall obtain a
40 receipt from the custodian for all funds and property delivered to the custodian by the treasurer.
41 Said custodian shall invest and reinvest such funds and property as directed by the investment
42 manager appointed under Section 9. Notwithstanding any contrary provisions of Section 9 or of
43 this section, the Trustees are specifically authorized and empowered to invest funds of the
44 Association by depositing such funds with the Winston-Salem Firemen's Credit Union on
45 condition that the Association shall receive interest at an annual rate agreed upon by the
46 Association and such credit union.

47 **"Sec. 14.** The custodian and the investment manager shall receive compensation for
48 services rendered as may be agreed upon from time to time in writing by the Trustees and by
49 the custodian (with respect to services rendered by the custodian) or the investment manager
50 (with respect to services rendered by the investment manager). The Trustees shall have the
51 authority to employ legal counsel when, in the opinion of the Trustees, legal counsel is

1 necessary. In case of such employment, said counsel shall be paid such fees as may be fair and
2 reasonable as agreed upon in writing by the Trustees and the counsel so employed.

3 **"Sec. 15.** On or before August 31, 1987, the Board of Trustees of the Winston-Salem
4 Firemen's Relief Fund shall transfer to the Board of Trustees of the Winston-Salem Firemen's
5 Retirement Fund Association out of properties and funds belonging to the Winston-Salem
6 Firemen's Relief Fund the sum of fifty-four thousand dollars (\$54,000) in cash or assets. The
7 assets so transferred pursuant to the immediately preceding sentence shall be transferred upon
8 the basis of the fair market value thereof as of the date of transfer, and the particular assets to
9 be transferred shall be determined by joint action of the Board of Trustees of the
10 Winston-Salem Firemen's Relief Fund and the Board of Trustees of the Winston-Salem
11 Firemen's Retirement Fund Association. All property of the Association is hereby relieved from
12 any and all claims of the persons entitled to relief from the Winston-Salem Firemen's Relief
13 Fund. The North Carolina Firemen's Association, its officers, members, boards and committees,
14 are also hereby relieved of any claim of any kind whatsoever which may be based on past
15 service, present service or future service in the Winston-Salem Fire Department. The
16 Winston-Salem Firemen's Relief Fund and the officers, members, boards and committees of
17 said Fund, are also hereby relieved of any claim of any kind whatsoever which may be based
18 on past, present or future service in the Winston-Salem Fire Department, if any, so long as any
19 claimant is entitled to benefits or pension under the provisions of this act.

20 **"Sec. 16.** (a) Notwithstanding the provisions of subsection (b) immediately following, if a
21 person who shall not be a member of the Association shall be transferred to the employment of
22 the Fire Department from the employment of the City of Winston-Salem (hereinafter referred
23 to as the City), the following provisions shall apply in determining whether he shall be a
24 member of the Association following such transfer:

25 (1) If he shall have attained at least his 18th birthday and shall not have attained
26 his 40th birthday on the date of such transfer, he shall automatically become
27 a member on such date of transfer. In determining such transferred
28 employee's number of years of continuous employment by the City,
29 employment with the City prior to such transfer shall be taken into account
30 only if such employee shall elect to contribute to the Association the sum of
31 (i) plus (ii) plus (iii), where (i) is the amount of twelve dollars (\$12.00) per
32 month, measured from the date of his hire by the City until earlier of the date
33 of such transfer and June 30, 1998; (ii) is the aggregate amount that the
34 person would have contributed, determined in accordance with Section 17 of
35 this act, measured from July 1, 1998, until the date of the transfer, if the
36 transfer occurs on or after July 1, 1998; and (iii) is interest accrued at the rate
37 of eight percent (8%) with respect to any payments made on and after July 1,
38 1989, per annum, compounded annually on the amount accrued as of the end
39 of each fiscal year of the Association.

40 (2) If he shall have attained at least his 40th birthday on the date of transfer, but
41 had not attained such birthday when last employed by the City, he may elect
42 within 90 days following such transfer to become a member. If he elects to
43 become a member, he shall contribute to the Association the amount he
44 would have contributed if he had become a member on the day next
45 preceding his 40th birthday. In addition, at the option of such employee, he
46 may further elect to contribute such additional amount as he would have
47 contributed prior to his 40th birthday if his employment with the City had
48 been with the Fire Department. Any such contributions shall include interest
49 at the rate of eight percent (8%), applicable to any payments made on and
50 after July 1, 1989, per annum, computed on the amount accrued as of the end
51 of each fiscal year of the Association.

- 1 (3) If he shall have attained at least his 40th birthday when last employed by the
2 City, he shall be ineligible to become a member following such transfer.
3 (4) The elections specified in subdivisions (1) and (2) hereof shall be made in
4 writing to the Trustees within 90 days following such transfer, and shall be
5 irrevocable when made (subject to termination of membership upon
6 subsequent separation from employment with the Fire Department). Any
7 contributions (and interest) payable pursuant to such election shall be paid in
8 cash in a lump sum at the time such election shall be filed.

9 (b) Notwithstanding the provisions of subsection (a) of Section 2 hereof, as soon as
10 practicable following April 3, 1979, (but in no event more than 60 days thereafter), the Trustees
11 gave each person who was then employed by the City of Winston-Salem as a Public Safety
12 Officer an election to be a member or not to be a member of the Association. Each such
13 election was to be made in accordance with procedures established by the Trustees and was
14 irrevocable when made (subject to termination of membership upon a subsequent separation
15 from the employment of the City, and subject to the provisions of subsection (a) of this Section
16 16). If a Public Safety Officer failed to file a timely election, he was deemed to have elected not
17 to be a member. If a Public Safety Officer who was a member on the date of the election
18 elected to discontinue membership (or shall have been deemed to have so elected), within 30
19 days following such date there should have been refunded to him the full amount of his prior
20 contributions to the Association, if any, without interest. If a Public Safety Officer who failed
21 to make contributions prior to the election date elected to be a member, he shall have within 30
22 days following such election paid to the Association the full amount he would have contributed
23 if he had made required contributions during the entire period that he was eligible to be a
24 member. Such contributions included interest at the rate of six percent (6%) per annum,
25 computed on the amount accrued as of the end of each fiscal year of the Association.

26 (c) Any member whose employment by the Fire Department as a Public Safety Officer
27 shall be terminated on or after June 27, 1981, for any reason, including transfer to another
28 department in the employment of the City, shall be terminated immediately as a member;
29 provided, that any member who is transferred on or after July 1, 1981, to another department of
30 the City in a fire-related job shall not become a terminated member if the following conditions
31 are met: (i) within 15 days following the date of such transfer he shall file with the Trustees a
32 written election to continue as a member; and (ii) such member shall be notified in writing by
33 the secretary of the Association on or before the date of transfer of his right to make the
34 election. If a terminated member shall reenter employment of the Fire Department, his
35 eligibility to become a member shall be determined at that time in accordance with Section 2
36 hereof, except to the extent such individual may be entitled to elect to become a member upon a
37 transfer of employment as provided in subsection (a) of this Section 16.

38 (d) In determining the number of years of continuous employment of a member, there
39 shall be taken into account all years for which he shall make contributions in accordance with
40 subsection (a) or (e) of this Section 16 or Section 19. For purposes of computing a member's
41 years of continuous employment with the City, any period of unused sick leave with the Fire
42 Department accrued by the member on the date of his retirement shall be deemed to be a period
43 of continuous employment with the Fire Department.

44 (e) If any member of the Association was employed by the Fire Department as a cadet,
45 such member's number of years of employment as a cadet may be added to the period of his
46 continuous employment with the City if, by July 31, 1981, such member contributed to the
47 Association an amount equal to twelve dollars (\$12.00) per month for the time he was a cadet,
48 plus interest at the rate of six percent (6%) per annum, computed on the amount accrued as of
49 the end of each fiscal year of the Association.

50 (f) If a member has been employed by the City continuously for a period of 10 years
51 and has any military service, and is not otherwise treated under Section 26 as being in the

1 employment of the City during the period of such military service, the period of such military
2 service shall nevertheless be added to his period of continuous employment with the City upon
3 such member's paying to the Association an amount equal to twelve dollars (\$12.00) for each
4 month of such military service plus interest at the rate of eight percent (8%), applicable to any
5 payments made on and after July 1, 1989, per annum, compounded annually. Such military
6 service shall be limited to the initial period of active duty in the armed forces of the United
7 States up to the time the member was first eligible to be separated or released therefrom, and
8 subsequent periods of such active duty as required by the armed forces of the United States up
9 to the date of first eligibility for separation or release therefrom. The member must submit
10 evidence satisfactory to the Trustees of the military service claimed. Such election must be
11 made within one year after the member first becomes eligible to contribute for such military
12 service. Credit for military service under this subsection shall not be considered service
13 creditable under another retirement system for purposes of G.S. 128-26(a).

14 (g) If an individual who is an active participant in the North Carolina Local
15 Governmental Employees' Retirement System (the 'System') shall terminate service with the
16 employer enabling the individual to participate in the System (the 'System Employer'), and
17 shall immediately enter the employment of the Fire Department, he may elect to have his
18 period of service under the System considered as continuous employment with the Fire
19 Department for purposes of this act; provided, that such election shall be permitted only if the
20 individual was under age 40 when he entered the employment of the System Employer. This
21 election shall be made in writing to the Trustees within 90 days of the individual's
22 commencement of employment with the Fire Department (or, with respect to an individual who
23 becomes employed by the Fire Department prior to July 1, 1989, this election shall be made on
24 or before September 30, 1989). The election, if made, shall be accompanied by a cash
25 contribution to the Association equal to the sum of (i) plus (ii) plus (iii), where (i) is the amount
26 of twelve dollars (\$12.00) per month measured from the date of the person's hiring by the City
27 until the earlier of the transfer and June 30, 1998; (ii) is the aggregate amount that the person
28 would have contributed, determined in accordance with Section 17 of this act, measured from
29 July 1, 1998, until the date of the transfer, if the transfer occurs on or after July 1, 1998; and
30 (iii) is interest accrued at the rate of eight percent (8%) per annum, compounded annually on
31 the amount accrued as of the end of each fiscal year of the Association. The election shall be
32 irrevocable when made. If the election is not made in a timely fashion, the right to make the
33 election is forfeited.

34 "Sec. 17. The Treasurer of the City shall make a deduction from the salary of each member
35 of the Association due him by the City. As of ~~September 1, 2001,~~ July 1, 2012, the amount of
36 each such deduction shall be determined as of the first day of each payroll period of the City,
37 and shall be equal to the ~~quotient (rounded up to the next whole dollar amount) obtained by~~
38 ~~dividing (i) the product, rounded to the nearest dollar, of .007 multiplied by the annual starting~~
39 ~~salary of a firefighter employed by the Fire Department in effect at the beginning of that payroll~~
40 ~~period; by (ii) the number of payroll periods in that fiscal year of the City.~~ amount determined
41 by the Trustees acting upon the advice of the Association's actuary. The amount so deducted
42 shall be turned over as soon as practicable after the applicable payroll period by the said
43 Treasurer to the custodian of the Association as hereinbefore provided, and the Association
44 shall have the authority to accept donations from any and all sources whatsoever.

45 "Sec. 18. If at any time there shall not be sufficient assets in the retirement fund of the
46 Association to pay fully the persons entitled to benefits provided herein, such persons shall be
47 paid such benefits on a pro rata basis to the extent the assets of such fund will allow, as shall be
48 determined by the Trustees acting upon the advice of the Association's actuary. Effective on or
49 after July 1, 1998, the Trustees shall obtain a written report from the Association's actuary as of
50 July 1 of each year evenly divisible by two, or more frequently if the Trustees deem advisable,

1 setting forth the present value of the assets of the fund and the present value of current
 2 liabilities of current retirees.

3 **"Sec. 19.** (a) Whenever any member of the Association has been employed by the City
 4 continuously for a period of at least 30 years, such member may make written application to the
 5 trustees for his normal retirement benefit, and whenever any member of the Association has
 6 been employed by the City continuously for a period of at least 25 years but not more than 30
 7 years, such member may make written application to the Trustees for his early retirement
 8 benefit; provided, however, that such member must retire from the service of the City to
 9 receive such benefits. The normal and early retirement benefits of such member shall be a
 10 monthly pension for the remainder of his life, as provided herein below. For this purpose and
 11 for the purpose of Section 20 hereof, a member shall be deemed to have been employed by the
 12 City continuously if such member shall have been employed continuously by any combination
 13 of the Fire Department or Police Department (but only such employment by the Police
 14 Department as is described in subsection 16(b) and (c) hereof), and the transfer of a member
 15 from the employ of one of such organizations to the employ of the other such organization shall
 16 not be deemed to be a termination of employment by the City. Provided, that if a member has at
 17 least 25 years of employment with the City, but such service is not continuous solely because
 18 of a leave of absence lasting not more than a year and not described in Section 26, such
 19 member shall be deemed to have continuous employment with the City during such leave of
 20 absence; and provided further, that if a member has less than 25 years of employment with the
 21 City but the sum of his years of employment with the City plus any leave of absence lasting not
 22 more than one year and not described in Section 26, equals or exceeds 25 years, the period of
 23 such leave shall be deemed to be continuous employment with the City if such member
 24 contributes to the Association twelve dollars (\$12.00) for each month he was on such leave,
 25 plus interest at the rate of eight percent (8%), applicable to any payments made on and after
 26 July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of
 27 the Association.

28 (b) Effective beginning July 1, 1989, and ending June 30, 1990, the amount of the
 29 monthly pension for each member who is entitled to receive a normal retirement benefit
 30 (including members who retired prior to July 1, 1989) shall be two hundred dollars (\$200.00).
 31 Effective beginning July 1, 1990, and ending June 30, 1998, the amount of the monthly pension
 32 for each member who is entitled to receive a normal retirement benefit, including members
 33 who retired prior to July 1, 1990, shall be two hundred fifteen dollars (\$215.00). Effective on
 34 and after July 1, 1998, the amount of the monthly pension for each member who is entitled to
 35 receive a normal retirement benefit (including members who retired prior to that date) shall be
 36 two hundred five dollars (\$205.00). The amount of the monthly pension for each member who
 37 is entitled to receive an early retirement benefit as of any date prior to July 1, 1998, shall be the
 38 product of (1) and (2), where (1) is the applicable percentage listed in the following table based
 39 on his years of continuous employment at his early retirement date, and (2) is the amount of the
 40 payment that he would have received as a normal retirement benefit under this section as of that
 41 date:

| Years of Employment at Retirement Date | Percentage of Normal Retirement Benefit |
|---|--|
| 25 | 85% |
| 26 | 88% |
| 27 | 91% |
| 28 | 94% |
| 29 | 97% |

1 Effective on and after July 1, 1998, the amount of the monthly pension for each member who
 2 began receiving an early retirement benefit prior to July 1, 1998, shall be further reduced by
 3 multiplying the monthly pension amount by 0.9535.

4 (c) Effective on and after July 1, 1998, the amount of the monthly pension of each
 5 member who retires on or after that date and is entitled to receive an early retirement benefit
 6 shall be the product of (1) the applicable percentage listed in the following table based on
 7 the member's years of continuous employment at the member's early retirement date, and (2)
 8 the amount of the payment that the member would have received as a normal retirement benefit
 9 under this section as of that date:

| 11 Years of Employment at | Percentage of Normal |
|---------------------------|----------------------|
| 12 Retirement Date | Retirement Benefit |
| 13 25 | 70% |
| 14 26 | 76% |
| 15 27 | 82% |
| 16 28 | 88% |
| 17 29 | 94% |

18
 19 Payment shall be subject to the provisions of Section 18 of this act. Section 16(d) governs the
 20 determinations of a member's years of continuous employment.

21 (d) Any benefit payable to a member pursuant to this Section 19 shall commence not
 22 later than the April 1 immediately following the calendar year in which the member attains age
 23 70 and 1/2 or, if later, the April 1 immediately following the calendar year in which the
 24 member retires from the service of the City. Additionally, the distribution of any such benefit
 25 shall be made in accordance with the requirements of section 401(a) of the Internal Revenue
 26 Code, including the minimum distribution incidental benefit requirement of section
 27 1.401(a)(9)-2 of the Treasury Regulations, which are incorporated herein by reference. With
 28 respect to distributions made for the calendar years beginning on or after January 1, 2001, the
 29 act will apply the minimum distribution requirements of section 401(a)(9) of the Internal
 30 Revenue Code in accordance with the regulations under section 401(a)(9) of the Internal
 31 Revenue Code that were proposed on January 17, 2001, notwithstanding any provision of the
 32 act to the contrary. This amendment shall continue in effect until the end of the last calendar
 33 year beginning before the effective date of final regulations under section 401(a)(9) of the
 34 Internal Revenue Code or such other date as may be specified in guidance published by the
 35 Internal Revenue Service.

36 (e) Notwithstanding any provision in this Section 19 to the contrary, effective as of
 37 December 12, 1994, the act shall at all times be construed and enforced according to the
 38 requirements of the Uniformed Services Employment and Reemployment Rights Act of 1994.

39 **"Sec. 20.** Whenever any member of the Association becomes totally and permanently
 40 unable, because of infirmity or disease affecting mind or body (whether or not induced by
 41 injury) to perform his duties for the City, which inability shall be determined by a medical
 42 examination by a physician or physicians of good standing and repute selected by the Trustees,
 43 he shall be deemed to be a disabled member. If a disabled member has been employed by the
 44 City for at least five full years prior to suffering disability, he shall be entitled to retire and
 45 receive a monthly benefit payable for the remainder of his life.

46 Effective beginning July 1, 1989, and ending June 30, 1990, the monthly benefit of a
 47 member who retires as a disabled member (including a member who retired as a disabled
 48 member prior to July 1, 1989) shall equal eight dollars (\$8.00) times his years of service but in
 49 no event more than two hundred dollars (\$200.00) per month. Effective beginning July 1, 1990,
 50 and ending June 30, 1998, the monthly benefit of a member (including a member who retires as
 51 a disabled member prior to this date) shall equal eight dollars and sixty cents (\$8.60) times his

1 years of service, but in no event more than two hundred fifteen dollars (\$215.00) per month.
2 Effective on and after July 1, 1998, the monthly benefit of a member who retires as a disabled
3 member, including a member who retires as a disabled member prior to July 1, 1998, shall
4 equal eight dollars and twenty cents (\$8.20) times his years of service, but in no event more
5 than two hundred five dollars (\$205.00) per month. For this purpose only, years of service shall
6 mean the number of his earned years of service in the employment of the City (as determined
7 pursuant to Section 16(d) of this act). Payments shall be subject to the provisions of Section 18
8 of this act.

9 Notwithstanding the foregoing provisions of this Section 20, in the case of a disabled
10 member whose disability shall arise out of injuries incurred in fire safety activities, such as fire
11 fighting, fire training and fire inspection, such monthly benefit shall in no event be less than
12 forty dollars (\$40.00) per month, whether or not such disabled member was employed by the
13 City for at least five years prior to suffering such disability. The determination of whether such
14 disability arises out of injuries incurred in fire safety activities shall be made by the Trustees.

15 **"Sec. 21.** Any disabled member of the Association who retires under Section 19 hereof and
16 who had not been employed by the City for a period of at least 30 years prior to retirement,
17 shall be subject to call by the Trustees for reexamination by a physician of good standing and
18 repute selected by the Trustees and, if based upon such examination it is determined by the
19 Trustees that such member is able to perform active duties for the City, such member may be
20 reinstated and receive for his services the same compensation paid to other employees of the
21 City of his rank or classification. If such member, upon being called by the Trustees, shall
22 refuse to submit to an examination or shall refuse to be reinstated to active duty in the employ
23 of the City after being found to be able to perform active duty, such benefits as he is then
24 receiving under the provisions of this act shall immediately terminate and his membership in
25 this Association shall automatically terminate. But in the event that such member is physically
26 unable to resume active employment, or in the event he is able and willing to resume active
27 employment but no job with the City is open for him at such time, his pension or compensation
28 shall continue until there shall be an opening for such member and he is reemployed by the
29 City. For the purpose of this Section 21, employment with the City shall mean only
30 employment with the Fire Department or Police Department (but employment with the Police
31 Department shall be included only with regard to any such member who was employed with
32 the Police Department prior to his retirement under Section 20 hereof).

33 **"Sec. 22.** When any member of the Association shall resign or be dismissed from
34 employment by the City (which for this purpose shall include only employment with the Fire
35 Department or Police Department), he shall receive a sum of money equal to all monies paid
36 into the Association by him. Upon the death of any member of the Association while in the
37 employment of the City, a sum of money equal to all monies paid into the Association by such
38 deceased member shall be paid to the beneficiary or beneficiaries designated in writing by such
39 deceased member, or in default thereof, to his estate. If, after retirement, a member of the
40 Association shall die before having received an amount equal to his contributions to the
41 Association, there shall be paid to the beneficiary or beneficiaries designated by such member,
42 or in default thereof to his estate, an amount equal to his contributions less the sum of
43 retirement benefits paid to such member. The reimbursements provided in this Section 22 shall
44 be in cash in a lump sum, unless otherwise determined by the Trustees with the consent in
45 writing of the recipient thereof less interest, if any, previously contributed to the Association by
46 the member pursuant to Section 16 or Section 19.

47 **"Sec. 23.** No amount payable or held by the Association under this act for the benefit of
48 any member or beneficiary thereof shall be subject in any manner to anticipation, alienation,
49 sale, transfer, assignment, pledge, encumbrance or charge, nor shall any amount payable or
50 held under this act for the benefit of any member or beneficiary thereof be in anywise liable for
51 his debts, contracts, liabilities, engagements, or torts, nor be subject to any legal process to levy

1 upon or attach, but the provisions of this Section 22 shall not be applicable as regards any
2 dealings with or obligations to the Winston-Salem Firemen's Credit Union.

3 **"Sec. 24.** Out of the amount paid to the Insurance Commissioner of the State of North
4 Carolina upon the amount of all premiums on fire and lightning policies covering property
5 situated in the corporate limits of the City, the Insurance Commissioner of the State of North
6 Carolina shall pay annually to the Treasurer of the City ninety-five percent (95%), and the
7 Treasurer of the City shall immediately pay over the same to the treasurer of the Association, or
8 if the treasurer of the Association shall so direct, the Treasurer of the City shall pay such
9 amount directly to the custodian.

10 **"Sec. 25.** No member of this Association or Trustee shall be personally liable in any
11 manner whatsoever to any person, association, firm or corporation by reason of his connection
12 with, or act or acts on behalf of, said Association, unless such act or acts are fraudulently
13 committed.

14 **"Sec. 26.** If a member of the Association, or an employee of the Fire Department or Police
15 Department who is not a member of the Association due to failure to meet the minimum age
16 requirements of subsection 2(b) hereof, is granted a leave of absence from employment by the
17 City on account of accidental injury or temporary illness, military service during time of active
18 warfare, compulsory military service in time of peace, or other good cause, for the purpose of
19 this act such employee shall be deemed to have remained in the employment of the City during
20 the period of such leave of absence or any extension thereof if he shall return to active service
21 with the City promptly following the end of the period of such leave of absence or extension
22 thereof. During such leave of absence or extension thereof, the Treasurer of the City shall make
23 no deductions from the salary, if any, of such member, and such member shall not otherwise be
24 required to make any contributions to the Association during or with respect to such period.

25 **"Sec. 27.** If any person entitled to benefits under this act shall be physically or mentally
26 incapable of receiving or acknowledging receipt of such benefits, the Trustees, upon receipt of
27 satisfactory evidence of such incapacity and that another person or institution is maintaining
28 such person entitled to benefits, and that no guardian or committee has been appointed for him,
29 may cause any benefits otherwise payable to him to be made to such person or institution so
30 maintaining him.

31 **"Sec. 28.** The provisions of this act shall be administered on an equitable and
32 nondiscriminatory basis, it being the intent hereof that where the Trustees are given
33 discretionary powers, such powers shall be exercised in an equitable manner and so as to
34 prevent discrimination between persons similarly situated. All assets of the Association shall be
35 administered for the exclusive benefit of the members of the Association and their
36 beneficiaries, and as a fund to provide for such members or beneficiaries the benefits provided
37 in this act. It shall be impossible for any part of the principal or income of the retirement fund
38 of the Association to be used for or diverted to purposes other than for the exclusive benefit of
39 the members of the Association or their beneficiaries as provided in this act; except that the
40 Trustees may use such assets to pay the reasonable expenses incurred in administering the said
41 fund and any debts, liabilities or obligations of said fund. The assets and income of the fund
42 shall be exempt from all taxes, including income taxes, imposed by the State of North Carolina
43 or any political subdivision thereof.

44 **"Sec. 28A.** (a) Upon termination of the Association or upon complete discontinuance of
45 contributions to the Association, the rights of all members of the Association to benefits
46 accrued to the date of the termination or discontinuance, to the extent then funded, are
47 nonforfeitable.

48 (b) Forfeitures under the Association may not be applied to increase the benefits that
49 any member would otherwise receive under the Association.

50 (c) Notwithstanding any provision of the Association to the contrary, the maximum
51 annual benefit payable in the form of a straight life annuity from the Association on behalf of a

1 member, when combined with any benefits from another qualified retirement plan maintained
2 by the Fire Department of the City of Winston-Salem, shall not exceed the amount permitted by
3 section 415 of the Internal Revenue Code, the provisions of which are specifically
4 incorporated by reference into this act.

5 (d) In addition to the other applicable limitations set forth in this act, and
6 notwithstanding any other provision of this act to the contrary, for plan years beginning on or
7 after January 1, 1996, the annual compensation of each member taken into account under this
8 act shall not exceed the OBRA 1993 annual compensation limit. The OBRA 1993 annual
9 compensation limit is one hundred fifty thousand dollars (\$150,000), as adjusted by the
10 Commissioner for increase in the cost of living in accordance with section 401(a)(17)(B) of the
11 Internal Revenue Code. The cost of living adjustment in effect for a calendar year applies to
12 any period, not exceeding 12 months, over which compensation is determined (the
13 "determination period") beginning in that calendar year. If a determination period consists of
14 fewer than 12 months, the OBRA 1993 annual compensation limit shall be multiplied by a
15 fraction, the numerator of which is the number of months in the determination period, and the
16 denominator of which is 12. If compensation for any prior determination period is taken into
17 account in determining a member's benefits accruing in the current plan year, the compensation
18 for that prior determination period is subject to the OBRA 1993 annual compensation limit in
19 effect for that prior determination period. For this purpose, for determination periods beginning
20 before the first day of the first plan year beginning on or after January 1, 1996, the OBRA 1993
21 annual compensation limit is one hundred fifty thousand dollars (\$150,000). Effective for plan
22 years beginning on or after January 1, 2002, the OBRA 1993 annual compensation limit shall
23 be two hundred thousand dollars (\$200,000), as adjusted by the Commissioner for increases in
24 the cost of living in accordance with section 401(a)(17)(B) of the Internal Revenue Code.

25 (e) This subsection applies to distributions made on or after January 1, 2002.
26 Notwithstanding any provision of this act to the contrary that would otherwise limit a
27 distributee's election under this subsection, a distributee may elect, at the time and in the
28 manner prescribed by the Trustees, to have any portion of an eligible rollover distribution paid
29 directly to an eligible retirement plan specified by the distributee in a direct rollover. The
30 following definitions shall apply for purposes of this subsection:

31 (1) Eligible rollover distribution. An eligible rollover distribution is any
32 distribution of all or any portion of the balance to the credit of the
33 distributee, except that an eligible rollover distribution does not include:

- 34 a. Any distribution that is one of a series of substantially equal periodic
35 payments (not less frequently than annually) made for the life (or life
36 expectancy) of the distributee or the joint lives (or joint life
37 expectancies) of the distributee and the distributee's designated
38 beneficiary, or for a specified period of 10 years or more;
- 39 b. Any distribution to the extent such distribution is required under
40 section 401(a)(9) of the Internal Revenue Code; or
- 41 c. Any distribution that is made upon the hardship of the distributee.

42 Notwithstanding the foregoing, a portion of a distribution shall not fail to be
43 an eligible rollover distribution merely because the portion consists of
44 after-tax employee contributions that are not includible in gross income.
45 However, such a portion may be transferred only to an individual retirement
46 account or annuity described in section 408(a) or section 408(b) of the
47 Internal Revenue Code, or to a qualified defined contribution plan described
48 in section 401(a) or section 403(a) of the Internal Revenue Code that agrees
49 to separately account for amounts so transferred, including separately
50 accounting for the portion of that distribution that is includible in gross
51 income and the portion of that distribution that is not so includible.

- 1 (2) Eligible retirement plan. An eligible retirement plan is an individual
2 retirement account described in section 408(a) of the Internal Revenue Code,
3 an individual retirement annuity described in section 408(b) of the Internal
4 Revenue Code, or a qualified trust described in section 401(a) of the Internal
5 Revenue Code, that accepts the distributee's eligible rollover distribution. An
6 eligible retirement plan shall also mean an annuity contract described in
7 section 403(b) of the Internal Revenue Code and an eligible plan under
8 section 457(b) of the Internal Revenue Code that is maintained by a state, a
9 political subdivision of a state, or any agency or instrumentality of a state or
10 a political subdivision of a state, and that agrees to separately account for
11 amounts transferred into that plan from the Association. The definition of
12 eligible plan shall also apply in the case of a distribution to a surviving
13 spouse, or to a spouse or former spouse who is the alternate payee under a
14 qualified domestic relations order, as defined in section 414(p) of the
15 Internal Revenue Code. Effective January 1, 2008, an eligible retirement
16 plan shall also mean a Roth IRA as described in section 408A of the Internal
17 Revenue Code.
- 18 (3) Distributee. A distributee includes a member or former member of the
19 Association. In addition, the surviving spouse of a member or former
20 member is a distributee with regard to the interest of the member or former
21 member.
- 22 (4) Direct rollover. A direct rollover is a payment by the Association to the
23 eligible retirement plan specified by the distributee.
- 24 (5) Rollovers by nonspouse beneficiaries. Notwithstanding anything in this
25 subsection to the contrary, effective January 1, 2007, the benefits of
26 nonspouse beneficiaries may be transferred in a direct rollover to an
27 inherited individual retirement account or an inherited individual retirement
28 annuity ("inherited IRA"). Once in the inherited IRA, distributions will be
29 made in compliance with the minimum distribution rules of section
30 401(a)(9) of the Internal Revenue Code that apply following the death of a
31 member.

32 (f) Notwithstanding any other provisions of this act, the following provisions apply in
33 order to comply with the requirements of the Heroes Earnings Assistance and Relief Tax Act of
34 2008:

- 35 (1) Death benefits. If a member of the Association dies on or after January 1,
36 2007, while performing qualified military service as defined in section
37 414(u) of the Internal Revenue Code, the member's beneficiary is entitled to
38 any additional benefits, other than benefit accruals relating to the period of
39 qualified military service, provided under the Association as if the member
40 had resumed employment and then terminated on account of death. The
41 Association shall also credit that member's qualified military service for
42 vesting purposes as though the member had resumed employment
43 immediately prior to the member's death.
- 44 (2) Differential wage payments. For years beginning after December 31, 2008:
- 45 a. An individual receiving a differential wage payment as defined in
46 section 3401(h)(2) of the Internal Revenue Code shall be treated as
47 an employee of the employer making the payment.
- 48 b. The differential wage payment shall be treated as compensation.
- 49 c. The Association shall not be treated as failing to meet the
50 requirements of any provision described in section 414(u)(1)(C) of
51 the Internal Revenue Code by reason of any contribution or benefit

1 that is based on the differential wage payment, but only if the
2 following apply:

- 3 1. All employees of the employer performing services described
4 in section 3401(h)(2)(A) of the Internal Revenue Code are
5 entitled to receive differential wage payments as defined in
6 section 3401(h)(2) of the Internal Revenue Code on
7 reasonably equivalent terms; and
- 8 2. All employees, if eligible to participate in a retirement plan
9 maintained by the employer, are entitled to make
10 contributions or receive benefits based upon the payments on
11 reasonably equivalent terms, taking into account the
12 provisions of sections 4110(b)(3), (4), and (5) of the Internal
13 Revenue Code.

14 **"Sec. 28B.** (a) This section shall apply for purposes of determining required minimum
15 distributions for calendar years beginning with the 2003 calendar year. The requirements of this
16 section shall take precedence over any inconsistent provisions of the Association. All
17 distributions required under this section shall be determined and made in accordance with the
18 Treasury Regulations under section 401(a)(9) of the Internal Revenue Code, which are
19 specifically incorporated by reference into this act. Notwithstanding the other provisions of this
20 section, distributions may be made under a designation made before January 1, 1984, in
21 accordance with section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA)
22 and the provisions of the Association that relate to section 242(b)(2) of TEFRA.

23 (b) Time and Manner of Distribution. –

- 24 (1) Required beginning date. – The member's entire interest will be distributed,
25 or begin to be distributed, to the member no later than the member's required
26 beginning date.
- 27 (2) Death of member before distributions begin. – If the member dies before
28 distributions begin, the member's entire interest will be distributed, or begin
29 to be distributed, no later than as follows:
 - 30 a. If the member's surviving spouse is the member's sole designated
31 beneficiary, as defined in section 28(e)(1), then distributions to the
32 surviving spouse will begin by December 31 of the calendar year
33 immediately following the calendar year in which the member died,
34 or by December 31 of the calendar year in which the member would
35 have attained age 70 ½, if later.
 - 36 b. If the member's surviving spouse is not the member's sole designated
37 beneficiary, then distributions to the designated beneficiary will
38 begin by December 31 of the calendar year immediately following
39 the calendar year in which the member died.
 - 40 c. If there is no designated beneficiary as of September 30 of the year
41 following the year of the member's death, the member's entire
42 interest will be distributed by December 31 of the calendar year
43 containing the fifth anniversary of the member's death.
 - 44 d. If the member's surviving spouse is the member's sole designated
45 beneficiary and the surviving spouse dies after the member but
46 before distributions to the surviving spouse begin, the provisions of
47 this subdivision, except for sub-subdivision a. of this subdivision,
48 will apply as if the surviving spouse were the member.

49 For purposes of this subdivision and of subsection (d) of this section,
50 distributions are considered to begin on the member's required beginning
51 date, or if sub-subdivision d. of this subdivision applies, the date

1 distributions are required to begin to the surviving spouse under
2 sub-subdivision a. of this subdivision. If annuity payments irrevocably
3 commence to the member before the member's required beginning date, or to
4 the member's surviving spouse before the date distributions are required to
5 begin to the surviving spouse under sub-subdivision a. of this subdivision,
6 the date distributions are considered to begin is the date distributions
7 actually commence.

8 (3) Forms of distribution. – Unless the member's interest is distributed in the
9 form of an annuity purchased from an insurance company or in a single
10 lump sum on or before the required beginning date, as of the first
11 distribution calendar year, as defined in subdivision (2) of subsection (e) of
12 this section, distributions will be made in accordance with subsections (b),
13 (c), and (d) of this section. If the member's interest is distributed in the form
14 of an annuity purchased from an insurance company, distributions under that
15 annuity shall be made in accordance with the requirements of section
16 401(a)(9) of the Internal Revenue Code and the Treasury Regulations.

17 (b) Determination of Amount to be Distributed Each Year. –

18 (1) General annuity requirements. – If the member's interest is paid in the form
19 of annuity distributions from the Association, payments under the annuity
20 will satisfy the following requirements:

- 21 a. The annuity distributions shall be paid in periodic payments made at
22 intervals not longer than one year;
- 23 b. The distribution period shall be over a life, or lives, or over a period
24 certain not longer than the period described in subsection (c) or (d) of
25 this section;
- 26 c. Once payments have begun over a period certain, the period certain
27 will not be changed even if the period certain is shorter than the
28 maximum permitted;
- 29 d. Payments will either not increase or will increase only as follows:
 - 30 1. By an annual percentage increase that does not exceed the
31 annual percentage increase in an eligible cost-of-living index,
32 as defined in subdivision (3) of subsection (e) of this section,
33 for a 12-month period ending in the year during which the
34 increase occurs or the prior year;
 - 35 2. By a percentage increase that occurs at specified times and
36 does not exceed the cumulative total of annual percentage
37 increases in an eligible cost-of-living index since the annuity
38 starting date, or if later, the date of the most recent percentage
39 increase. However, in cases providing such a cumulative
40 increase, an actuarial increase may not be provided to reflect
41 the fact that increases were not provided in the interim years;
 - 42 3. To the extent of the reduction in the amount of the member's
43 payments to provide for a survivor benefit upon death, but
44 only if the beneficiary whose life was being used to determine
45 the distribution period described in subsection (c) of this
46 section dies or is no longer the member's beneficiary pursuant
47 to a qualified domestic relations order within the meaning of
48 section 414(c) of the Internal Revenue Code.
 - 49 4. To pay increased benefits that result from an amendment to
50 the Association; or

1 Table set forth in section 1.401(a)(9)-9 of the Treasury Regulations plus the
2 excess of 70 over the age of the member as of the member's birthday in the
3 year that contains the annuity starting date. If the member's spouse is the
4 member's sole designated beneficiary and the form of distribution is a period
5 certain and no life annuity, the period certain may not exceed the longer of
6 the member's applicable distribution period, as determined under subsection
7 (b) of this section, or the joint life and last survivor expectancy of the
8 member and the member's spouse as determined under the Joint and Last
9 Survivor Table set forth in section 1.401(a)(9)-9 of the Treasury
10 Regulations, using the member's and spouse's attained ages as of the
11 member's and spouse's birthdays in the calendar year that contains the
12 annuity starting date.

13 (d) Requirements for Minimum Distributions where Member Dies before Date
14 Distributions Begin –

15 (1) Member survived by designated beneficiary. – If the member dies before the
16 date distribution of the member's interest begins and there is a designated
17 beneficiary, the member's entire interest will be distributed, beginning no
18 later than the time described in sub-subdivision a. or b. of subdivision (2) of
19 subsection (a) of this section, over the life of the designated beneficiary or
20 over a period certain not exceeding:

21 a. Unless the annuity starting date is before the first distribution
22 calendar year, the life expectancy, as defined in subdivision (4) of
23 subsection (e) of this section, of the designated beneficiary
24 determined using the beneficiary's age as of the beneficiary's birthday
25 in the calendar year immediately following the calendar year of the
26 member's death; or

27 b. If the annuity starting date is before the first distribution calendar
28 year, the life expectancy of the designated beneficiary determined
29 using the beneficiary's age as of the beneficiary's birthday in the
30 calendar year that contains the annuity starting date.

31 (2) No designated beneficiary. – If the member dies before the date distributions
32 begin and there is no designated beneficiary as of September 30 of the year
33 following the year of the member's death, distribution of the member's entire
34 interest will be completed by December 31 of the calendar year containing
35 the fifth anniversary of the member's death.

36 (3) Death of surviving spouse before distributions to surviving spouse begin. –
37 If the member dies before the date distribution of the member's interest
38 begins, the member's surviving spouse is the member's sole designated
39 beneficiary, and the surviving spouse dies before distributions to the
40 surviving spouse begin, this subsection will apply as if the surviving spouse
41 were the member, except that the time by which distributions must begin
42 will be determined without regard to subdivision (1) of subsection (a) of this
43 section.

44 (e) Definitions. –

45 (1) Designated beneficiary. – The individual who is designated as the
46 beneficiary under the Association in accordance with section 401(a)(9) of
47 the Internal Revenue Code and section 1.401(a)(9)-1, Q&A-4 of the
48 Treasury Regulations.

49 (2) Distribution calendar year. – A calendar year for which a minimum
50 distribution is required. For distributions beginning before the member's
51 death, the first distribution calendar year is the calendar year immediately

1 preceding the calendar year that contains the member's required beginning
2 date. For distributions beginning after the member's death, the first
3 distribution date is the calendar year in which distributions are required to
4 begin pursuant to subsection (a) of this section.

5 (3) Eligible cost-of-living index. – One of the following:

6 a. A consumer price index that is based on prices of all items, or all
7 items excluding food and energy, and is issued by the Bureau of
8 Labor Statistics, including an index for a specific population, such as
9 urban consumers or urban wage earners and clerical workers, and an
10 index for a geographic area or areas, such as a given metropolitan
11 area or state.

12 b. A percentage adjustment based on a cost-of-living index described in
13 sub-subdivision a. of this subdivision, or a fixed percentage if less. In
14 any year in which the cost-of-living index is lower than the fixed
15 percentage, the fixed percentage may be treated as an increase in an
16 eligible cost-of-living index, provided it does not exceed the sum of:

17 1. The cost-of-living index for that year; and

18 2. The accumulated excess if the annual cost-of-living index
19 from each prior year over the fixed annual percentage used in
20 that year, reduced by any amount previously used under this
21 sub-subdivision.

22 c. A percentage adjustment based on the increase in compensation for
