SESSION 2011**

**SESSION LAW 2011-395
HOUSE BILL 344**

AN ACT TO ALLOW AN INDIVIDUAL INCOME TAX CREDIT FOR CHILDREN WITH
DISABILITIES WHO REQUIRE SPECIAL EDUCATION AND TO CREATE A FUND
FOR SPECIAL EDUCATION AND RELATED SERVICES.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-151.33. Education expenses credit.

(a) Credit. – A taxpayer is allowed a credit against the tax imposed by this Part for each of the taxpayer's eligible dependent children who is a resident of this State and who for one or two semesters during the taxable year is enrolled in grades kindergarten through 12 in a nonpublic school or in a public school at which tuition is charged in accordance with G.S. 115C-366.1. As used in this section, the term 'eligible dependent child' means a child who meets all of the following criteria:

- (1) Is a child with a disability as defined by G.S. 115C-106.3(1).
- (2) Was determined to require an individualized education program as defined by G.S. 115C-106.3(8).
- (3) Receives special education or related services on a daily basis.
- (4) Is a child for whom the taxpayer is entitled to deduct a personal exemption under section 151(c) of the Code for the taxable year.

For the initial eligibility for the tax credit, for at least the preceding two semesters, the eligible dependent child shall have been either (i) enrolled in a public school or (ii) receiving special education or related services through the public schools as a preschool child with a disability as defined by G.S. 115C-106.3(17). An eligible dependent child shall be reevaluated every three years by the local educational agency in order to verify that the child continues to be a child with a disability as defined by G.S. 115C-106.3(1).

(b) Amount. – The credit is equal to the amount the taxpayer paid for tuition and special education and related services expenses, not to exceed three thousand dollars (\$3,000) per semester. For home schools, as defined in G.S. 115C-563(a), the credit is equal to the amount the taxpayer paid for special education and related services expenses, not to exceed three thousand dollars (\$3,000) per semester.

(c) Semesters. – For the purposes of this section, there are two semesters during each taxable year. The spring semester is the first six months of the taxable year, and the fall semester is the second six months of the taxable year. An eligible dependent child is enrolled in a school for a semester if the eligible dependent child is enrolled in that school for more than 70 days during that semester.

(d) Disqualification. – A taxpayer may not qualify for a credit for any semester during which the taxpayer's eligible dependent child for whom the credit would otherwise be claimed met any of the following conditions:

- (1) Was placed in a nonpublic school or facility by a public agency at public expense.
- (2) Spent any time enrolled as a full-time student taking at least 12 hours of academic credit in a postsecondary educational institution.
- (3) Was 22 years or older during the entire semester.
- (4) Graduated from high school prior to the end of the semester.

(e) Reduction of Credit. – The amount of the credit is reduced for any semester in which the eligible dependent child spent any time enrolled in a public school. The amount of

the reduction is a percentage equal to the percentage of the semester that the eligible dependent child spent enrolled in a public school.

(f) Information. – In order to claim the credit allowed by this section, the taxpayer shall provide, when requested, the following to the Secretary:

- (1) The name, address, and social security number of each eligible dependent child for whom the credit is claimed and the name and address of the school or schools in which the eligible dependent child was enrolled for more than 70 days each semester.
- (2) The taxpayer's certification that the eligible dependent child did not meet any of the disqualifying conditions set out in this section.
- (3) The name of the local school administrative unit in which the eligible dependent child resides.
- (4) The amount of tuition paid to a public school at which tuition is charged in accordance with G.S. 115C-366.1 for each semester the eligible dependent child for whom the credit is claimed was enrolled in the school.
- (5) The eligibility determination that the eligible dependent child is a child with a disability who requires special education and related services.
- (6) A listing of the tuition and special education and related services expenses on which the amount of the credit is based.
- (7) For home schools as defined in G.S. 115C-563(a), a listing of the special education and related services expenses on which the amount of the credit is based.

(g) Carryforward. – The credit allowed under this section may not exceed the amount of tax imposed by this Part reduced by the sum of all credits allowed against the tax, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding three years.

(h) Transfer. – At the end of each fiscal year, the Secretary shall transfer to the Fund for Special Education and Related Services established under G.S. 115C-472.15 from the net individual income tax collections under G.S. 105-134.2 an amount equal to two thousand dollars (\$2,000) multiplied by the number of credits taken under this section during the fiscal year.

(i) Definitions. – The following definitions apply in this section:

- (1) "Special education" means specially designed instruction to meet the unique needs of a child with a disability. The term includes instruction in physical education and instruction conducted in a classroom, the home, a hospital, or institution, and other settings.
- (2) "Related services" is as defined in The Individuals with Disabilities Education Improvement Act, 20 U.S.C. § 1400, et seq., (2004), as amended, and federal regulations adopted under this act."
