In the event that any county fails to establish an emergency management agency, and the Governor, in the Governor's discretion, determines that a need exists for such an emergency management agency, then the Governor is hereby empowered to establish an emergency management agency within that county.

(c) Municipalities May Establish and Maintain Emergency Management Agencies. – All incorporated municipalities are authorized to establish and maintain emergency management agencies subject to coordination by the county.

(d) Joint Agencies Authorized. – Counties and incorporated municipalities are authorized to form joint emergency management agencies composed of a county and one or more municipalities within the county's borders, between two or more counties, or between two or more counties and one or more municipalities within the borders of those counties.

The size of this allocation shall be based in part on the degree to which local plans and programs meet State standards and requirements promulgated by the Division, including those relating to

 - c. All powers granted to an acting executive head of a State agency or institution under this section shall expire immediately:
 - 1. Upon the termination of the incapacity as determined by the Governor of the officer in whose stead the Governor acts;
 - 2. Upon the return of the officer in whose stead the Governor acts; or

These prohibitions and restrictions may, in the Governor's discretion, as appropriate to deal with the emergency, impose any of the types of prohibitions and restrictions enumerated in G.S. 166A-19.31(b), and may amend or rescind any prohibitions and restrictions imposed by local authorities. Prohibitions and restrictions imposed pursuant to this subdivision shall take effect in accordance with the provisions of G.S. 166A-19.31(d) and shall expire upon the earliest occurrence of either of

These directions may include the designation of the officer or agency responsible for directing and controlling the participation of all public agencies and officers in the emergency. The Governor may make this designation in any manner which, in the Governor's discretion, seems most likely to be effective. Any law enforcement officer participating in the control of a state of emergency in which the Governor is exercising control under this section shall have the same power and authority as a sheriff throughout the territory to which the law enforcement officer is assigned.

reports of the substance of the ordinance to be disseminated in a fashion that its substance will likely be communicated to the public in general, or to those who may be particularly affected by the ordinance if it does not affect the public generally. As soon as practicable thereafter, appropriate distribution or publication of the full text of any such ordinance shall be made.

(d) When Prohibitions and Restrictions Take Effect. – All prohibitions and restrictions imposed by declaration pursuant to ordinances adopted under this section shall take effect in the emergency area immediately upon publication of the declaration unless the declaration sets a later time.
