3 STUDY COMMITTEE TO STUDY OPTIONS TO ALLEVIATE THE DEBT  
4 INCURRED BY THE JOINT MUNICIPAL POWER AGENCIES.

5 The General Assembly of North Carolina enacts:

6 **SECTION 1.** Findings. – The General Assembly finds that the thirty-two  
7 municipalities in the North Carolina Eastern Municipal Power Agency (NCEMPA) division of  
8 Elecricities owe more than two billion two hundred million dollars (\$2,200,000,000) in bonded  
9 indebtedness; and the municipalities incurred the debt primarily to finance the building of  
10 nuclear power plants; and the municipalities own a percentage of the nuclear reactors located at  
11 the Shearon Harris Nuclear Plant and the Brunswick Power Plant; and the municipalities must  
12 charge their customers substantially higher electrical rates to finance this debt than the rates  
13 charged by other providers who service the surrounding areas; and the higher electrical rates  
14 impose a tremendous burden on the already challenged economies of these municipalities and  
15 the counties in which they are located.

25 power agencies from high electric rates, including:  
26 a. The feasibility of refinancing or restructuring the debt of the power  
27 agencies.  
28 b. The feasibility of selling assets of the municipalities or the power  
29 agencies to lower electric rates or the total amount of debt.  
30 (2) Study any other matters that the Committee deems relevant.  
31 (3) Make a final report to the 2012 Regular Session of the 2011 General

9           The Committee may meet at any time upon call of the chairs. The Committee may  
10 meet in the Legislative Building or the Legislative Office Building. The Committee may  
11 contract for professional, clerical, or consultant services as provided by G.S. 120-32.02.
