HOUSE BILL DRH40094-MH-57

Short Title: East Coast Greenway/State Trails. (Public)

Sponsors: Representative White.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO AUTHORIZE THE ADDITION OF THE EAST COAST GREENWAY IN  
3 CENTRAL AND EASTERN NORTH CAROLINA TO THE STATE PARKS SYSTEM.  
4 The General Assembly of North Carolina enacts:  
5 **SECTION 1.** The General Assembly finds that a multiuse trail across Central and  
6 Eastern North Carolina would provide a multitude of economic, recreational, health,  
7 environmental, community, and transportation benefits. The General Assembly further finds that  
8 federal, State, local, and private partners have expressed substantial interest in completing such  
9 a trail, that such a trail would be a recreational resource of statewide significance, and that  
10 including such a trail in the State Parks System as a State Trail would be beneficial to the people  
11 of North Carolina and further the development of North Carolina as "The Great Trails State."  
12 **SECTION 2.** The General Assembly authorizes the Department of Natural and  
13 Cultural Resources to add the portion of the East Coast Greenway traversing North Carolina to  
14 the State Parks System as the "East Coast Greenway State Trail," as provided in  
15 G.S. 143B-135.54(b). The Department shall support, promote, encourage, and facilitate the  
16 establishment of trail segments on State park lands and on lands of other federal, State, local, and  
17 private landowners. On segments of the East Coast Greenway that cross property controlled by  
18 agencies or owners other than the Department's Division of Parks and Recreation, the laws, rules,  
19 and policies of those agencies or owners shall govern the use of the property. The requirement  
20 of G.S. 143B-135.54(b) that additions be accompanied by adequate appropriations for land  
21 acquisition, development, and operations shall not apply to the authorization set forth in this act;  
22 provided, however, that the State may receive donations of appropriate land and may purchase  
23 other needed lands for the East Coast Greenway with existing funds in the Land and Water Fund,  
24 the Parks and Recreation Trust Fund, the federal Land and Water Conservation Fund, and other  
25 available sources of funding.  
26 **SECTION 3.** This act is effective when it becomes law.
