A BILL TO BE ENTITLED

1  
2 AN ACT TO COMMEMORATE THE SESTERCENTENNIAL OF THE AMERICAN  
3 REVOLUTION BY PROVIDING FOR THE ACQUISITION AND PROTECTION OF  
4 HISTORIC PROPERTIES IN ORDER TO PRESERVE NORTH CAROLINA'S HISTORY  
5 AND CULTURAL HERITAGE FOR FUTURE GENERATIONS.

6       Whereas, the Hayes Farm at Edenton in Chowan County was the home of Samuel  
7 Johnston, a member of the Continental Congress, governor of North Carolina during the crucial  
8 period when the State ratified the U.S. Constitution, and North Carolina's first U.S. Senator; and  
9 also is the site of Hayes House, one of the best preserved Federalist mansions in the State; and

10       Whereas, the Shallow Ford of the Yadkin on the border of Forsyth and Davie Counties  
11 represents one of the best-preserved sites of a river ford on the Great Philadelphia Wagon Road  
12 that brought thousands of German and Scotch-Irish settlers to the Piedmont of North Carolina in  
13 the 18th century and was the site of important engagements and events during the American  
14 Revolution and the Civil War; and

15       Whereas, Moore's Creek National Battlefield in Pender County is the site of an  
16 important early engagement in the Revolutionary War in which Patriot militias decisively  
17 defeated Loyalists marching towards Wilmington with the intent to restore Royal rule in North  
18 Carolina. However, land just a few hundred feet from the site of this engagement remains in  
19 private hands and could be developed in a manner that would diminish the experience of the  
20 battlefield; and

21       Whereas, Alamance Battleground State Historic Site in Alamance County preserves  
22 a portion of the site of a 1771 encounter between Royal Governor Tryon's militia and the  
23 Regulators, who rose up in protest of official corruption and unjust tax policies, but key portions  
24 of the battleground remain unprotected and under significant development pressure; and

25       Whereas, the Charlotte Hawkins Brown Historic Site preserves the site of the Palmer  
26 Memorial Institute, a school founded by Brown to provide education for black children during  
27 an era when official segregation and Jim Crow laws severely limited such opportunities.  
28 However, the rural character of the site is threatened by the increasing pressures of  
29 suburbanization; and

30       Whereas, Watauga Town and Nikwasi Town in Macon County are the sites of two of  
31 the so-called Middle Towns of the Cherokee burned by a Patriot militia in an early Revolutionary  
32 War campaign and now form part of an emerging cultural corridor along the Little Tennessee  
33 and Tuckaseegee Rivers that tells the story of Cherokee civilization in Western North Carolina  
34 at the time of the American Revolution; and

1           Whereas, all these historic sites are the focus of preservation efforts by nonprofit  
2 organizations who are racing to keep these sites from sale to private parties that could result in  
3 development and loss of public access to future generations of the State's citizens; Now,  
4 therefore,

5 The General Assembly of North Carolina enacts:

6           **SECTION 1.(a)** The sum of nine million eight hundred seventy-five thousand four  
7 hundred dollars (\$9,875,400) is appropriated from the General Fund to the Department of Natural  
8 and Cultural Resources, to be allocated for the following properties or property interests:

- 9           (1) Purchase of approximately 194 acres containing Hayes Manor and the Samuel  
10 Johnston Historic Farm in Chowan County, to be added to Edenton State  
11 Historic Site.
- 12           (2) Purchase of approximately 48 acres adjacent to the Moore's Creek National  
13 Battlefield in Pender County. The Department shall seek to enter into a  
14 Memorandum of Agreement with the National Park Service to manage the  
15 site.
- 16           (3) Purchase of approximately 2.35 acres near the Alamance Battleground State  
17 Historic Site in Alamance County, to be added to the Historic Site.
- 18           (4) Purchase of approximately 100 acres adjacent to the Charlotte Hawkins  
19 Brown State Historic Site in Guilford County, to be added to the Historic Site.
- 20           (5) Purchase of approximately 245 acres at the Shallow Ford of the Yadkin in  
21 Forsyth County, to be managed in conjunction with other nearby historic sites.
- 22           (6) Purchase of a conservation and preservation easement for an approximately  
23 40-acre tract at the site of the Cherokee settlement of Watauga Town in Macon  
24 County.
- 25           (7) Purchase of two sites totaling approximately 2.6 acres and of a conservation  
26 and preservation easement at a third site of approximately 0.7 acres at the site  
27 of the Cherokee settlement of Nikwasi Town in the Town of Franklin in  
28 Macon County.

29           **SECTION 1.(b)** At each of the sites described in subsection (a) of this section, the  
30 Department shall seek to partner with nonprofit organizations to provide funds and in-kind  
31 contributions for site development, preservation, or operational support in order to minimize the  
32 use of public funds. The Department will report to the Joint Legislative Oversight Committee on  
33 Agriculture and Natural and Economic Resources and the Fiscal Research Division no later than  
34 April 1, 2022, with an estimate of any additional recurring costs associated with acquisition,  
35 maintenance, and operation of the sites acquired pursuant to this act.

36           **SECTION 2.** This act becomes effective July 1, 2021.
