HOUSE BILL DRH40578-NGa-80

Short Title: Social and Emotional Learning Pilot.

(Public)

Sponsors: Representative Ball.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH A PILOT PROGRAM TO IMPLEMENT SOCIAL AND
3 EMOTIONAL LEARNING CURRICULUM IN KINDERGARTEN CLASSROOMS.

4 Whereas, decades of scientific research show social and emotional learning (SEL) is
5 highly correlated with significant and sustained academic success and improved behavior; and

6 Whereas, SEL can have a long-term, positive impact through adulthood, including
7 decreasing the likelihood of being on a waiting list for or living in public housing, receiving
8 public assistance, being involved with police before adulthood, and spending time in a detention
9 facility; and

10 Whereas, many preschool teachers in North Carolina are trained in evidence-based
11 practices to support social and emotional learning and student development in this area using the
12 Preschool Pyramid Model of the Department of Public Instruction; and

13 Whereas, kindergarten teachers are often not prepared to support the social and
14 emotional well-being of students; and

15 Whereas, establishing evidence-based SEL practices in kindergarten will better
16 prepare teachers and provide alignment and continuity for children when they transition into
17 kindergarten; and

18 Whereas, the Department of Public Instruction currently recognizes 37 local school
19 administrative units with at least 135 practitioner coaches and 365 teachers using the Preschool
20 Pyramid Model, which is only thirty-two percent (32%) of local school administrative units and
21 seventeen percent (17%) of preschools operated by local school administrative units; Now,
22 therefore,

23 The General Assembly of North Carolina enacts:
