36 "(k1) Discretionary One-Time Pension Supplements. – As of December 31 of each year
37 after 2020, the ratio (R) of the Consumer Price Index to such index one year earlier shall be
38 determined, and each beneficiary on the retirement rolls as of July 1 of the calendar year of
39 determination shall be entitled to have a one-time pension supplement paid during October of the
40 same calendar year; provided that any such one-time pension supplement shall be contingent
41 upon a determination by the Board of Trustees under subsection (k) of this section that a
42 permanent increase in benefits will not be paid during the same fiscal year as the one-time
43 pension supplement, but the total fund is providing sufficient investment gains to cover the
44 additional actuarial liabilities on account of such one-time pension supplement. The
45 determination of whether there are sufficient investment gains to cover the one-time pension
46 supplement shall reside exclusively within the discretion of the Board of Trustees and shall be
47 informed by the findings within the annual actuarial valuation reports. In considering whether to
48 grant a one-time pension supplement, the Board of Trustees shall take into account both the rate
49 of inflation as determined by the Consumer Price Index and the record of investment gains or
50 losses during the preceding three-year period. The amount of the one-time pension supplement
51 shall be calculated as a percentage of the annual retirement allowance, where the percentage used

1 is the ratio (R) calculated to the nearest tenth of one per centum (1/10 of 1%), but not more than
2 four per centum (4%).

3 A surviving annuitant of a beneficiary shall be provided a one-time pension supplement under
4 this subsection, when and if payable, calculated using the same per centum.

5 Any supplement granted under this subsection shall be a one-time pension supplement and
6 not a permanent increase in benefits. If the beneficiary dies before payment of the one-time
7 pension supplement is made, then the payment shall be payable to the member's estate or legal
8 representative. No beneficiary shall be deemed to have acquired a vested or contractual right or
9 entitlement to any future one-time pension supplement under this subsection."

10 **SECTION 3.(b)** G.S. 150B-1(d) is amended by adding a new subdivision to read:

11 "(31) The Retirement System Board of Trustees established under G.S. 128-28 with

13 to cover the additional actuarial liabilities on account of a one-time pension
14 supplement authorized under G.S. 128-27(k1)."

15 **SECTION 4.** Sections 1 and 2 of this act become effective December 1, 2021. The
