

**GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2021**

S

1

SENATE BILL 37

Short Title: In-Person Learning Choice for Families. (Public)

Sponsors: Senators Ballard, Lee, and Hise (Primary Sponsors).

Referred to: Education/Higher Education

February 2, 2021

A BILL TO BE ENTITLED

AN ACT TO PROVIDE ACCESS TO IN-PERSON LEARNING FOR STUDENTS IN GRADES KINDERGARTEN THROUGH TWELVE.

Whereas, the Centers for Disease Control and Prevention (CDC) outlined the dramatic increase in children's mental health visits to hospital emergency rooms from April to October of 2020 over the same time period in 2019, an increase of 24% for children ages 5–11 and 30% for children between the ages of 12–17; and

Whereas, the CDC further found that with mitigation efforts, the COVID-19 transmission risk in schools appears low, showing that with the necessary precautions in place, schools can open during the pandemic and that there is little evidence that schools have contributed meaningfully to increased community transmission; and

Whereas, the ABC Science Collaborative confirms the CDC's findings, as it reported no instances of child-to-adult transmission of COVID-19 were reported within schools during their examination of 11 open school districts in North Carolina serving 90,000 students during the first quarter of the 2020-2021 school year; and

Whereas, high failure rates in remote learning classes among middle and high school students are being reported statewide; and

Whereas, the Organisation for Economic Co-operation and Development found for every one-third of a school year lost, current students will suffer a 3% loss in income across their entire careers; and

Whereas, a study in the Journal of the American Medical Association found that today's students' increased financial stress could be associated with a collective loss of 13.8 million years of life; and

Whereas, even last summer, experts at Harvard University warned that school closures are a disaster that some students may never recover from; Now, therefore, The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding Article 1A of Chapter 166A of the General Statutes, any executive order, secretarial order or directive authorized pursuant to Article 1A of Chapter 166A of the General Statutes, or any other provision of law, all local school administrative units shall provide the option of in-person instruction to students in grades kindergarten through 12 enrolled in that unit in accordance with this act for the remainder of the scheduled 2020-2021 school year, beginning no later than the first weekday that occurs fifteen days following the effective date of this act.

SECTION 2. In providing for in-person instruction, local school administrative units shall comply with the following:

- 1 (1) Local school administrative units shall comply with all requirements of the
2 Strong Schools NC Public Health Toolkit (K-12), as that guidance existed on
3 December 4, 2020, for implementation of Plan A (Minimal Social Distancing)
4 and Plan B (Moderate Social Distancing) that are appropriate to the Plan of
5 reopening, as follows:
- 6 a. Local boards of education shall provide the option of in-person
7 instruction under Plan A (Minimal Social Distancing) to all students
8 enrolled in that school with an individualized education program, as
9 defined in G.S. 115C-106.3(8), or a section 504 (29 U.S.C. § 794)
10 plan. Local boards of education shall provide the option of remote
11 education for these students to elect to participate in, at the discretion
12 of the student's parent or guardian, for the remainder of the 2020-2021
13 school year.
- 14 b. Local boards of education shall provide the option of in-person
15 instruction under Plan A (Minimal Social Distancing) or Plan B
16 (Moderate Social Distancing) for all other students enrolled in grades
17 kindergarten through 12 in that unit. It shall be in the discretion of the
18 local board whether in-person instruction shall be provided under Plan
19 A (Minimal Social Distancing), Plan B (Moderate Social Distancing),
20 or both Plans as necessary to address the needs of different school
21 settings. Local boards of education shall continue to provide remote
22 instruction options for students to elect to participate in, at the
23 discretion of the parent or guardian, for the remainder of the
24 2020-2021 school year.
- 25 (2) Local boards of education may adjust student assignments as necessary for the
26 remainder of the 2020-2021 school year to comply with in-person instruction
27 plan requirements and ensure efficient use of school resources in order to
28 provide both in-person instruction and offer remote instruction alternatives to
29 families.
- 30 (3) Local boards of education shall have the authority to make day-to-day
31 decisions concerning whether shifting individual schools or individual
32 classrooms that are providing in-person instruction to remote instruction is
33 necessary due to COVID-19 exposures that result in insufficient school
34 personnel or required student quarantines. A local board of education shall
35 report any shift by a school or classroom from in-person to remote instruction
36 to the Department of Public Instruction within 72 hours of the shift.

37 **SECTION 3.** For the purposes of this act, in-person instruction includes all of the
38 following components:

- 39 (1) Is offered to the student in person by a teacher of record on a local school
40 administrative unit campus. Continued enrollment in a North Carolina Virtual
41 Public School course or other e-learning course offering or use of prerecorded
42 learning materials integrated in instruction that occurs on a local school
43 administrative unit campus shall be considered to meet this requirement.
- 44 (2) Lunch service.
- 45 (3) Transportation services to the campus where the student is assigned.

46 **SECTION 4.** As the Department of Health and Human Services continues to follow
47 the Centers for Disease Control and Prevention guidance for COVID-19 vaccinations of frontline
48 essential workers, local boards of education are encouraged to coordinate with local health
49 departments and other vaccine providers to facilitate coordinating and scheduling COVID-19
50 vaccination events for frontline K-12 school-based employees.

51 **SECTION 5.** This act is effective when it becomes law.
