25 **"§ 90-757. Criminal history record checks of applicants for licensure.**

26       (a) All applicants for licensure shall consent to a criminal history record check. Refusal  
27 to consent to a criminal history record check may constitute grounds for the Board to deny  
28 licensure to an applicant. The Board shall be responsible for providing to the North Carolina  
29 Department of Justice the applicant's fingerprints to be checked, a form signed by the applicant  
30 consenting to the criminal history record check and the use of fingerprints and other identifying

- 48                  records since the date the crime was committed.

49       (d) If, after reviewing the factors, the Board determines that any of the grounds to deny  
50 licensure exist, the Board may deny licensure of the applicant. The Board may disclose to the  
51 applicant information contained in the criminal history record that is relevant to the denial if

1 disclosure of the information is permitted by applicable State and federal law. The Board shall  
2 not provide a copy of the criminal history to the applicant. The applicant shall have the right to  
3 appear before the Board to appeal the Board's decision. An appearance before the full Board shall  
4 constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the  
5 General Statutes.

6 (e) The Board, its officers, and employees, acting in good faith and in compliance with  
7 this section, shall be immune from civil liability for denying licensure to an applicant based on  
8 information provided in the applicant's criminal history record.

14 abbreviations, or insignia indicating or implying a person holds a genetic counseling license.

34 period since the license was issued or last renewed the applicant has completed 30 hours of NSGC  
35 continuing education units or other means as approved by NSGC for recertification by ABGC,  
36 prorated for the length of the license. The Board shall make exceptions for licensees from the  
37 continuing education requirements, including waiver of all or a portion of these requirements or  
38 the granting of an extension of time in which to complete these requirements, upon a finding of  
39 good cause following receipt of a written request for exception based upon emergency or  
40 hardship.

41 **"§ 90-761. Unprofessional conduct; violations.**

42 (a) The Board may deny, suspend, or revoke licensure and may discipline, place on  
43 probation, limit practice, and require examination, remediation, and rehabilitation of any  
44 applicant or licensee, as provided for in subsection (b) of this section, for any violation listed in  
45 this subsection. The following are considered violations of the Code of Conduct:

15 practice of genetic counseling to the public, any individual, the Board, or any  
16 other organization.
- 17 (6) Revocation or suspension of a license for the practice of genetic counseling in

31 evaluation by a physician to determine physical condition, or both, upon a showing of probable  
32 cause to the Board that the applicant or licensee is not capable of practicing genetic counseling  
33 with reasonable skill and safety with patients or clients. The psychologist or physician that  
34 conducts an evaluation of the applicant or licensee shall be designated by the court of competent  
35 jurisdiction. The Board shall be responsible for the expenses of evaluations ordered under this  
36 subsection. If the applicant or licensee raises the issue of mental or physical competence or  
37 appeals a decision regarding mental or physical competence, the applicant or licensee shall be  
38 permitted to obtain an evaluation at the applicant's or licensee's expense. If the Board suspects  
39 the objectivity or adequacy of the evaluation, the Board may compel an evaluation by its  
40 designated practitioners at its own expense.

41 (f) Except as provided otherwise in this Article, the procedure for revocation, suspension,  
42 denial, limitations of the license, or other disciplinary, remedial, or rehabilitative actions shall be  
43 in accordance with the provisions of Chapter 150B of the General Statutes. The Board is required  
44 to provide the opportunity for a hearing under Chapter 150B of the General Statutes to any  
45 applicant whose license is denied or to whom licensure is offered subject to any restrictions,  
46 probation, disciplinary action, remediation, or other conditions or limitations or to any licensee  
47 before revoking, suspending, or restricting a license or imposing any other disciplinary action or  
48 remediation. If the applicant or licensee waives the opportunity for a hearing, the Board's denial,  
49 revocation, suspension, or other proposed action becomes final without a hearing having been  
50 conducted. Notwithstanding the foregoing, no applicant or licensee is entitled to a hearing for  
51 failure to pass an examination.

1       (g)     An individual whose license has been denied or revoked may reapply to the Board for  
2 licensure after the passage of one calendar year from the date of the denial or revocation.

3       (h)     A licensee may voluntarily relinquish a license at any time with the consent of the  
4 Board. The Board may delay or refuse granting consent as necessary in order to investigate any  
5 pending complaint, allegation, or issue regarding violation of any provision of this Article by the  
6 licensee. Notwithstanding any provision to the contrary, the Board retains full jurisdiction to  
7 investigate alleged violations of this Article by any individual whose license is relinquished under  
8 this subsection and, upon proof of any violation of this Article by any individual, the Board may  
9 take disciplinary action as authorized by this section."
