For charter schools, the amount of moneys appropriated to the charter school in the prior fiscal year that are expended in that year divided by the average daily membership of the charter school.
- (2) The twelve month percent change in the second quarter Employment Cost Index for elementary and secondary school workers as reported by the Federal Bureau of Labor Statistics shall be increased by three percent (3%).
- (3) The amount from subdivision (1) of this subsection, rounded to the nearest penny, shall then be multiplied by the sum of one plus the sum from subdivision (2) of this subsection, rounded to the nearest penny.
- (4) The amount from subdivision (3) of this subsection shall then be multiplied by the sum of the following: the allotted average daily membership for the school year plus the share of the average daily membership of any innovative, ~~charter~~, regional, or laboratory school whose students reside in the local school administrative unit for the budget year in dispute. For charter schools, the amount shall be multiplied by the funded average daily membership for the school year.

49 **SECTION 7.3.(a)** Purpose of the College Advising Corps Program. – From the funds  
50 appropriated in subsection (b) of this section, the Board of Governors of The University of North  
51 Carolina shall make funds available to the National College Advising Corps, Inc., (CAC) to

1 support an expansion of the placement of college advisers in North Carolina public schools  
2 through their program over a three-year period. CAC is a college access nonprofit organization  
3 with the mission to increase the number of underrepresented, low-income, or first-generation  
4 postsecondary degree or certificate students entering and completing their postsecondary  
5 education at community colleges and universities. In furthering this mission, CAC operates an  
6 innovative model of partnering with schools, communities, families, and postsecondary  
7 institutions, including providing for a two-year service opportunity to recent college graduates  
8 as near-peer college advisers working full-time in the public schools, with an emphasis on  
9 engaging college advisers who have similar backgrounds to the students the program seeks to  
10 serve. Near-peer college advisers perform various services for those students that are key  
11 components to the proven success of the program, including (i) attending postsecondary campus  
12 visits, fairs, and workshops with students, (ii) assisting with registering for college entrance  
13 exams, (iii) assisting with Free Application for Federal Student Aid (FAFSA) registrations and  
14 completions, (iv) identifying available scholarships, (v) assisting with postsecondary  
15 applications, and (vi) engaging with parents.

16 **SECTION 7.3.(b)** Funds for the Program. – Due to the effectiveness of the  
17 innovative model operated by CAC and the potential for significantly impacting the highest-need  
18 students as described in subsection (a) of this section, the sum of three million dollars  
19 (\$3,000,000) in recurring funds is appropriated from the General Fund to the Board of Governors  
20 of The University of North Carolina for the 2024-2025 fiscal year to be provided to CAC for the  
21 purpose of expanding the placement of college advisers in accordance with the requirements of  
22 this section.

23 **SECTION 7.3.(c)** Use of Funds. – CAC shall focus the first two years of the  
24 expansion of its program using the funds provided to it under this section by placing college  
25 advisers in counties designated as tier one and tier two. For the third year of the expansion, CAC  
26 shall use the funds provided to it to place college advisers in the remaining counties designated  
27 as tier three in order to achieve placement of college advisers in all 100 counties of the State. In  
28 addition, CAC shall select at least three additional postsecondary institutions to partner with in  
29 order to increase the number of recent graduates working as near-peer college advisers to meet  
30 the needs of the program expansion. Once CAC has reached the goal of placement of college  
31 advisers in 100 counties, the funds provided to it for the program shall be used to continue the  
32 mission of the program to increase access for North Carolina public school students to  
33 postsecondary degree or certificate attainment at community colleges and universities.

34 **SECTION 7.3.(d)** Reporting Requirements. – CAC shall submit a report by June 1  
35 of each year in which CAC spends State funds made available to it pursuant to this section to the  
36 Joint Legislative Education Oversight Committee and the Fiscal Research Division on the  
37 progress of expanding the placement of college advisers, data on the effectiveness of the program  
38 in increasing access for students to postsecondary education, and the use of State funds.
