13 a subsidiary, an affiliate, or a noncorporate entity in which the corporation or

16 indebtedness creates qualified interest expense, as defined in  
17 G.S. 105-130.7B(b)(4)-G.S. 105-130.7B(b)(4)a. through  
18 G.S. 105-130.7B(b)(4)d."

19 **SECTION 1.3.** G.S. 105-153.4 is amended by adding a new subsection to read:

20 "(d1) Sole Proprietorships. – In order to calculate the numerator of the fraction provided in  
21 subsection (b) of this section for an individual that operates a business in one or more other states,  
22 the amount of an individual's total net income of the business, as modified in G.S. 105-153.5 and  
23 G.S. 105-153.6, that is includable in the numerator is determined in accordance with the  
24 provisions of G.S. 105-130.4. As used in this subsection, total net income means the entire gross  
25 income of the business less all expenses, taxes, interest, and other deductions allowable under  
26 the Code that were incurred in the operation of the business."

27 **SECTION 1.4.** G.S. 105-153.9 is amended by adding a new subsection to read:

28 "(c) The credit allowed under this section may not exceed the amount of tax imposed by  
29 this Part for the taxable year reduced by the sum of all credits allowed, except payments of tax

31 **SECTION 1.5.(a)** G.S. 105-154(d) reads as rewritten:

32 "(d) Payment of Tax on Behalf of Nonresident Owner or Partner. – If a business conducted

34 nonresident members, the business shall report information concerning the earnings of the  
35 business in this State, the distributive share of the income of each nonresident owner or partner,

2 nonresident partner includes any guaranteed payments made to the partner. The business shall  
3 pay with the return the tax on each nonresident owner or partner's share of the income computed  
4 at the rate levied on individuals under G.S. 105-153.7. The business may deduct the payment for  
5 each nonresident owner or partner from the owner or partner's distributive share of the income  
6 of the business in this State. The Secretary may enforce the business's liability for the tax on each  
7 nonresident owner or partner's share of the income by sending the business a notice of proposed  
8 assessment in accordance with G.S. 105-241.9. If the nonresident partner is not an individual and  
9 the partner has executed an affirmation that (i) the partner will pay the tax with its corporate,  
10 partnership, trust, or estate income tax return, or (ii) the partner is not subject to State income tax  
11 under this Article, the business is not required to pay the tax on the partner's share. In this case,  
12 the business shall include a copy of the affirmation with the report required by this subsection.  
13 The affirmation must be annually filed by the nonresident partner and submitted by the due date  
14 of the report required in this subsection. Otherwise, the business is required to pay the tax on the  
15 nonresident partner's share. Notwithstanding the provisions of G.S. 105-241.7(b), the business  
16 may not request a refund of an overpayment made on behalf of a nonresident owner or partner if  
17 the business has previously filed the return and paid the tax due. The nonresident owner or partner  
18 may, on its own income tax return, request a refund of an overpayment made on its behalf by the  
19 business within the provisions of G.S. 105-241.6. This subsection does not apply to a partnership  
20 with respect to any taxable period for which it is a taxed ~~partnership-partnership unless the taxed~~  
21 partnership has a partner described in G.S. 105-154.1(a)(5). If a taxed partnership has a partner  
22 described in G.S. 105-154.1(a)(5), this subsection applies to the taxed partnership with respect  
23 to the partner described in G.S. 105-154.1(a)(5)."

39 where the partnership was subject to an entity-level tax levied on the aggregate distributive share  
40 of the partnership's income allocable to one or more of its partners. A partnership is taxable in

31 ~~a. It is sold in a heated state or it is heated by the retailer.~~

32 ~~b. It consists of two or more foods mixed or combined by the retailer for~~  
33 ~~sale as a single item. This sub-subdivision does not include foods~~

35 ~~consumer as recommended by the Food and Drug Administration to~~  
36 ~~prevent food borne illnesses.~~

37 ~~c. It is sold with eating utensils provided by the retailer, such as plates,~~  
38 ~~knives, forks, spoons, glasses, cups, napkins, and straws. A plate does~~  
39 ~~not include a container or packaging used to transport the food."~~

40 **SECTION 2.1.(b)** Article 5 of Chapter 105 of the General Statutes is amended by  
41 adding the following new section to read:

### 42 **"§ 105-164.4L. Prepared food.**

43 (a) **Prepared Food Definition.** – The term "prepared food" means food that meets at least  
44 one of the following conditions:

45 (1) It is sold in a heated state, or it is heated by the retailer.

46 (2) It consists of two or more foods mixed or combined by the retailer for sale as  
47 a single item. This does not include:

48 a. Food containing raw eggs, fish, meat, or poultry that requires cooking  
49 by the consumer as recommended by the Food and Drug  
50 Administration.

1                    Administration in chapter 3, part 401.11 of its Food Code so as to  
2                    prevent foodborne illnesses.

3                    b. Food that is only sliced, repackaged, or pasteurized by the retailer.

4                    (3) It is sold with eating utensils provided by the retailer, such as plates, knives,  
5                    forks, spoons, glasses, cups, napkins, and straws. A plate does not include a  
6                    container or packaging used to transport the food. An eating utensil placed in  
7                    a package with the food items by a person other than the retailer, if that other  
8                    person's NAICS classification code is that of a manufacturer, sector 311, is  
9                    not treated as an eating utensil provided by the retailer. For a packager with  
10                    any other NAICS classification code, the retailer is considered to have  
11                    provided the eating utensil.

12                    (b) Utensils Provided by the Retailer. – Based on a retailer's prepared food sales  
13                    percentage, determined in accordance with subsection (c) of this section, the phrase "provided  
14                    by the retailer," as described in subdivision (3) of subsection (a) of this section, has the following  
15                    meanings:

16                    (1) Sales percentage of greater than seventy-five percent (75%). – If a retailer has  
17                    a prepared food sales percentage of greater than seventy-five percent (75%),  
18                    "provided by the retailer" means the retailer makes eating utensils available to  
19                    purchasers, except that an item sold by the retailer containing four or more  
20                    servings packaged as one item and sold for a single price does not become  
21                    prepared food because the retailer makes utensils available to the purchaser of  
22                    the item, but is prepared food if the retailer physically gives or hands utensils  
23                    to the purchaser of the item. Serving sizes are determined based on the label  
24                    of an item sold. If no label is available, a retailer must reasonably determine  
25                    the number of servings in an item.

26                    (2) Sales percentage of seventy-five percent (75%) or less. – If a retailer has a  
27                    prepared food sales percentage of seventy-five percent (75%) or less,  
28                    "provided by the retailer" means the retailer's business practice is to physically  
29                    give or hand eating utensils to purchasers, except that plates, bowls, glasses,  
30                    and cups necessary for the purchaser to receive the food need only be made  
31                    available to purchasers.

32                    (c) Prepared Food Sales Percentage. –

33                    (1) Definition. – A percentage determined by dividing the following described  
34                    numerator by the following described denominator:

35                    a. The numerator is the retailer's annual sales of prepared food described  
36                    in subdivisions (1) and (2) of subsection (a) of this section and food  
37                    sold when plates, bowls, glasses, or cups are necessary to receive the  
38                    food. The numerator shall not include alcoholic beverages or food  
39                    excluded from prepared food.

40                    b. The denominator is the retailer's total annual sales of all food and  
41                    prepared food, excluding alcoholic beverages.

42                    (2) Administration of definition. –

43                    a. A retailer must calculate the prepared food sales percentage for each  
44                    tax year or business fiscal year based on the retailer's data from the  
45                    prior tax year or business fiscal year, as soon as possible after  
46                    accounting records are available, but not later than 90 days after the  
47                    beginning of the retailer's tax year or business fiscal year.

48                    b. A single prepared food sales percentage shall be determined annually  
49                    for all of the retailer's establishments in this State.

50                    c. A new retailer shall make a good-faith estimate of its prepared food  
51                    sales percentage for its first year in business. The new retailer must

1 adjust its good-faith estimate prospectively after the first three months  
2 of its business operation if actual prepared food sales percentages  
3 materially affect the seventy-five percent (75%) threshold described in  
4 subsection (b) of this section."

5 **SECTION 2.2.** G.S. 105-164.4J is amended by adding a new subsection to read:

6 "(k) Efficient Administration. – When the Secretary finds it necessary for the efficient  
7 administration of this Article to regard any sales representatives, solicitors, representatives,  
8 consignees, peddlers, or truckers as agents of the dealers, distributors, consignors, supervisors,  
9 employers, or persons under whom they operate or from whom they obtain the items sold by  
10 them regardless of whether they are making sales on their own behalf or on behalf of these  
11 dealers, distributors, consignors, supervisors, employers, or persons, the Secretary may so regard  
12 them and may regard the dealers, distributors, consignors, supervisors, employers, or persons as  
13 "marketplace facilitators" for the purpose of this Article and may treat the sales they make as  
14 "marketplace-facilitated sales" and the sellers as "marketplace sellers.""

15 **SECTION 2.3.** G.S. 105-164.11B reads as rewritten:

16 **"§ 105-164.11B. Recover sales tax paid.**

17 (a) Retailers. – A retailer who pays sales and use tax on an item that is separately stated  
18 on an invoice or similar billing document given to the retailer at the time of sale and subsequently  
19 resells the item at retail, without the item being used by the retailer, may recover the sales or use  
20 tax originally paid to a seller as provided in this ~~section-subsection~~. A retailer entitled to recover  
21 tax under this ~~section-subsection~~ may reduce taxable receipts by the taxable amount of the  
22 purchase price of the item resold for the period in which the retail sale occurs. A recovery of tax  
23 allowed under this ~~section-subsection~~ is not an overpayment of tax and, where ~~such~~ the recovery  
24 is taken, a refund of the tax originally paid may not be requested from the seller pursuant to the  
25 authority under G.S. 105-164.11. Any amount for tax recovered under this ~~section-subsection~~ in  
26 excess of tax due for a reporting period under this Article is not subject to refund. Any tax  
27 recovered under this ~~section-subsection~~ may be carried forward to a subsequent reporting period  
28 and taken as an adjustment to taxable receipts. The records of the retailer must clearly reflect and

44 execution sale initiated before the end of the 10-year-enforcement period may be completed after  
45 the end of this period, regardless of whether resales are required because of the posting of  
46 increased bids. The Secretary may accept tax payments made after a certificate has expired,  
47 regardless of whether any collection actions were taken before the certificate expired. A taxpayer  
48 may waive the 10-year-enforcement period for enforcement of the certificate for either a definite  
49 or an indefinite time.

50 The ~~10-year-enforcement period in which of~~ a certificate of tax liability is ~~enforceable~~ is
