HOUSE BILL DRH10364-NHa-151

Short Title: School Breakfast for All.

(Public)

Sponsors: Representative Biggs.

Referred to:

A BILL TO BE ENTITLED
AN ACT TO PROVIDE BREAKFAST TO PUBLIC SCHOOL STUDENTS AT NO COST TO
THE STUDENTS AND TO ESTABLISH THE FARM-TO-TABLE INITIATIVE.

Whereas, one in five kids goes hungry every day in North Carolina, putting them at risk of poor health and educational outcomes; and

Whereas, hunger negatively impacts a child's ability to learn, concentrate, and perform well in school; and

Whereas, research shows that students who eat a nutritious breakfast demonstrate higher academic achievement, improved behavior, and increased school attendance; and

Whereas, the economic benefits of school breakfast at no cost to the student and family include reduced absenteeism, lower healthcare costs, and long-term workforce productivity; and

Whereas, North Carolina is home to a rich agricultural industry, and sourcing locally grown fruits, vegetables, dairy, and proteins for school meals stimulates economic growth in rural communities; and

Whereas, partnerships between schools, farmers, and food distributors create new market opportunities for North Carolina's agricultural sector while ensuring students receive nutritious meals; and

Whereas, funding and policy support within School Breakfast for All legislation would align with North Carolina's goals for economic sustainability, public health, and student success; Now, therefore,
