**SENATE BILL 583**

Short Title:   Lead. Invest. Families/Foster Teen Act (LIFT). (Public)

Sponsors:    Senators Murdock, Chitlik, and Applewhite (Primary Sponsors).

Referred to:   Rules and Operations of the Senate

March 26, 2025

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE "LEADING INVESTMENTS IN FAMILIES AND FOSTER TEENS ACT" AND TO IMPLEMENT THE HEALTHY START NC PROGRAM TO REDUCE MATERNAL MORTALITY AND CHILDHOOD POVERTY AND TO OFFSET COSTS BY MODIFYING THE CORPORATE INCOME TAX RATE SO AS TO KEEP THE EFFECTIVE TAX RATE FOR CORPORATE TAXPAYERS MORE CLOSELY ALIGNED WITH THAT WHICH IS REQUIRED OF INDIVIDUAL TAXPAYERS OF THE STATE.

Whereas, wealth and income inequality, which have long plagued North Carolina and the country, continue to grow; and

Whereas, structural poverty in our State leads to economic inequality, limited access to education, healthcare, and affordable housing, and high rates of incarceration and environmental hazards. These systemic disparities have created cycles of poverty across generations, leading to underemployment, poor health outcomes, and lower educational advancement; and

Whereas, a 2025 Bankrate survey found that fifty-nine percent (59%) of Americans don't have enough savings to cover an unexpected \$1,000 emergency expense; and

Whereas, we can keep more people out of poverty created by expected or unexpected life changes, or emergencies, by providing targeted populations with recurring payments when they need it most; and

Whereas, building on the successes and learnings of City of Durham's guaranteed income pilot, Excel, and Durham County's program, DCo Thrives, we can disrupt structural poverty across North Carolina by zeroing in on populations that are most susceptible to financial hardship; and

Whereas, this act shifts the paradigm from reacting to poverty to preventing poverty;

Now, therefore,

The General Assembly of North Carolina enacts:
