**"§ 1H-3. Scope.**

- (a) This Chapter does not apply to secured debts.
- (b) This Chapter does not allow a court to order a claimant to refund any moneys already paid on a debt that is determined to be coerced.
- (c) This Chapter does not diminish the rights of a claimant to recover payment for a coerced debt from the person or persons who coerced a debtor into incurring that debt.
- (d) This Chapter does not reduce or eliminate any other rights or defenses available to a debtor or claimant pursuant to any other law.

**"§ 1H-4. Civil liability.**

A person shall not cause another person to incur a coerced debt. A person who causes another person to incur a coerced debt in violation of this section shall be civilly liable to the claimant for the amount of the debt, or portion of said debt to be determined by a court, plus the claimant's attorneys' fees and costs.

**"§ 1H-5. Notice of coerced debts.**

- (a) Upon receipt of both of the following, a claimant shall cease collection activities until completion of the review provided in subsection (c) of this section:
- (1) Adequate documentation.
- (2) The debtor's sworn written certification that a particular debt, or portion thereof, being collected is coerced debt.
- (b) If a debtor notifies a claimant orally that a particular debt, or portion thereof, being collected is coerced debt, the claimant shall notify the debtor, orally or in writing, that the debtor's notification must be in writing. If a debtor notifies a claimant in writing that a particular debt, or portion thereof, being collected is coerced debt, but omits information required by subsection (a) of this section, and, if the claimant does not cease collection activities, the claimant shall provide written notice to the debtor of the additional information that is required.
- (c) Within 10 business days of receiving the complete statement and information described in subsection (a) of this section, the claimant shall, if the claimant furnished adverse information about the debtor to a consumer credit reporting agency, notify the consumer credit reporting agency that the account is disputed. The claimant shall initiate a review considering all

of the information provided by the debtor and other information available to the claimant in its file. Within 30 days of completing the review, the claimant shall notify the debtor in writing of the claimant's determination and the good-faith basis for that determination. The claimant shall not recommence collection activities until the debtor has been notified in writing of the good-faith determination that the information does not establish that the particular debt, or portion thereof, is coerced debt.

(d) No inference or presumption that the debt is valid or invalid, or that the debtor is liable or not liable for the particular debt, or portion thereof, shall arise if the claimant decides after the review described in subsection (c) of this section to cease or recommence collection activities. The exercise or nonexercise of rights under this section is not a waiver of any other right or defense of the debtor or claimant.

(e) At least 30 days before filing an action pursuant to G.S. 1H-6 or other action against a claimant in connection with an allegedly coerced debt, a debtor shall submit notice of the debtor's intent to file an action against the claimant and documents that comply with subsection (a) of this section in writing to the claimant. This 30-day period shall begin to run when the claimant receives this written notice. This written notice shall meet all of the following requirements:

(1) The notice shall be sent by certified mail, overnight delivery, or other method that allows for confirmation of the delivery date.

(2) The notice shall be sent to an address made available to the debtor by the claimant for receipt of the notice, or, if an address has not been identified by the claimant, to the claimant's principal place of business as identified by the Secretary of State. If an address is unavailable through the Secretary of State's website, the debtor may use the correspondence address of the claimant, or in the case of a debt collector, the address on file with the Department of Insurance for licensing purposes.

(f) The debtor shall not commence an action described in G.S. 1H-6 or other action against a claimant in connection with an allegedly coerced debt if the claimant informs the debtor that it has ceased all efforts to collect on the particular debt, or portion thereof, identified in the written notice pursuant to subsection (e) of this section and the debtor receives written notice of this cessation before the expiration of the 30-day period.

(g) The debtor may commence an action described in G.S. 1H-6 or other action against a claimant in connection with an allegedly coerced debt if either of the following conditions is satisfied:

(1) The 30-day period described in subsection (e) of this section expires and the collection activities have not ceased or the debtor has not received written notice that collection activities have ceased.

(2) The debtor receives written notice pursuant to subsection (c) of this section of the claimant's good-faith determination that the information does not establish that the particular debt, or portion thereof, is coerced debt.

(h) A claimant that ceases collection activities under this section and does not recommence those collection activities shall do both of the following:

(1) If the claimant has furnished adverse information to a consumer credit reporting agency regarding the debtor and a particular debt, or portion thereof, notify the agency to delete that information no later than 10 business days after making its determination.

(2) If the claimant is a debt collector, notify the creditor no later than 10 business days after making its determination that collection activities have been terminated based upon the debtor's assertion that a particular debt, or portion thereof, being collected is coerced debt.

**"§ 1H-6. Order establishing relief from coerced debt.**

(a) A debtor may bring an action against a claimant to establish that a particular debt, or portion thereof, is coerced debt.

(b) In an action brought by a claimant to recover a particular debt against the debtor, the debtor may file a cross-complaint to establish that the particular debt, or portion thereof, is coerced debt. The notice described in G.S. 1H-5(c) shall not be required as a prerequisite to filing a cross-complaint. A debtor shall plead the allegations of coerced debt with particularity and shall do either of the following:

(1) Attach the documents provided to the claimant pursuant to G.S. 1H-5(a) to any complaint.

(2) Attach the documents identified in G.S. 1H-5(a) to any cross-complaint.

(c) If the debtor establishes by a preponderance of the evidence that the particular debt, or portion thereof, is coerced debt, the debtor shall be entitled to the following relief:

(1) A declaratory judgment that the debtor is not obligated to the claimant on the particular debt, or portion thereof, that is coerced debt.

(2) An injunction prohibiting the claimant from holding or attempting to hold the debtor personally liable on the particular debt, or portion thereof, that is coerced debt, and prohibiting the claimant from enforcing a judgment related to the particular debt, or portion thereof, that is coerced debt against the debtor.

(3) An order dismissing any cause of action brought by the claimant to enforce or collect on the particular debt from the debtor or, if only a portion of the debt is established as coerced debt, an order directing that the complaint and judgment, if any, in the action be amended to reflect only the portion of the particular debt that is not coerced debt.

(c1) If the debtor establishes by a preponderance of the evidence that the particular debt, or portion thereof, is coerced debt, the court shall issue a judgment in favor of the claimant against the person or persons who coerced the debtor into incurring the debt in the amount of the debt, or portion thereof, that is coerced debt, provided that the person or persons who coerced the debtor into incurring the debt or debts has been brought within the jurisdiction of the court and joined as a party to the action and the evidence supports such a judgment. The court presiding over the action shall take the appropriate steps necessary to prevent abuse of the debtor or an immediate family member of the debtor, including, but not limited to, sealing court records, redacting personally identifiable information about the debtor and any immediate family member of the debtor, and directing that any deposition or evidentiary hearing be conducted remotely.

(d) A debtor who files knowingly false motions, pleadings, or other papers or engages in other tactics that are frivolous or intended to cause unnecessary delay against a claimant shall be liable for the claimant's attorneys' fees and costs in defending the lawsuit.

(e) The claimant may move the court to make written findings regarding evidence related to the person who caused the coerced debt to be incurred.

**"§ 1H-7. Miscellaneous provisions.**

(a) Where some or all of a claim is established as having arisen from coerced debt, a claimant shall have standing, and may use all rights and remedies, to collect by any lawful means that claim, or portion thereof, from the person or persons determined to have coerced the debt, or against a person who used or possessed money, goods, services, or property obtained through coerced debt.

(b) The statute of limitations for a claimant to bring an action to collect coerced debt from any person determined to have coerced the debt shall run from the date of the court's determination that the person caused the duress, intimidation, threat of force, force, fraud, or undue influence giving rise to the coerced debt at issue and shall be brought within five years of that determination.

(c) If any provision of this Chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of

1 this Chapter that can be given effect without the invalid provision or application and, to this end,  
2 the provisions of this Chapter are severable.

3 (d) This Chapter applies only to debts incurred on or after July 1, 2025, except that a  
4 debtor may file a cross-complaint described by subsection (b) of this section in an action filed by  
5 a claimant to collect a debt incurred prior to July 1, 2025, unless a final judgment has been entered  
6 in that action."

7 **SECTION 2.** This act becomes effective July 1, 2025.
